40mcg/tab Clenbuterol (100 tablets) Administration. In order to achieve any significant amount of fat loss, the peak Clenbuterol dosage that individuals should eventually work up to should be 120 - 160mcg per day. Females may be able to only tolerate less, in the range of 80 - 100mcg per day. I just got what i was looking for for a long time and good price. Impressed of a good service - by George, December 25, 2019 5 / 5 stars Realy almost frustrated to find this product from a reliable source. Now i know where to buy. ...
