GP Oxy Profile . GP Oxy- Oxymetholone from Geneza Pharmaceuticals is an oral steroid that possesses very high anabolic and high androgenic properties, this oral steroid being the strongest oral known. It's known for it's superior strength and size gains, it's effectiveness is just short of injectable Testosterone. Other available name for oxymetholone substance is Anadrol.

Sözün özü; yapılması gereken belli. Doğru beslenme tekniklerini uygularken beraberinde kardiyo yapıyoruz. Ve sadece devam edin. Cabalayın ve kendinizi en sağlıklı yiyeceklerle besleyin. En güzel havalari oturarak değil hareketli olabileceğiniz aktivitelerle değerlendirin. Yüzün, bisiklete binin, sahilde koşun. Kendiniz için yapabildiğinizin en iyisini yapın. Ve en önemlisi sevgiyle kalın☺
