I'm seriously considering just scapping the Winnie and going with a Prop/Proviron/ Clen cycle: Weeks 1-6: Prop 50 or 75 mg every 2 or 3 days (input wanted on that issue), 50 mg Proviron ED and Clen 2 weeks on/ 2 weeks off. Weeks 7-8: Prop/Proviron, Clen 2 weeks on/ 2 weeks off, 3000 mg HCG once a week. Week 9: 1500 mg HCG, Clen 2 weeks on/ 2 ... Var + Winnie + Clen Cycle (Forum for female members to discuss a wide variety of topics from Training, dieting, anabolics, grooming, etc.)
Gentlemen, please respect the females and keep the B.S. off this forum Winnie and clen complement each other very well. Many bodybuilders combine these two together when trying to burn fat and hold on to muscle mass. Although winstrol/clen is used predominantly to burn fat, a user can often look like they've gained a significant amount of muscle after a cycle. Here's 3 typical clen/winnie
