

Dear Xavier,

2020 has been a year like no other. However, we have remained strong, committed, and supportive to one another. Winston Churchill once said, *"Success is not final. Failure is not fatal. It is the courage to continue that counts."*

As we move into a new (and hopefully better) year, we wish you health, moments of peace amid the difficulties, connections with family and friends even if they can not be in person, the warmth of memories from holidays past, and wonderful glimpses of the joy that still lives under the surface.

In the year to come, know that we are here for you and your business. **STC Consulting** is committed to clients and is always willing to go the extra mile to help them optimize their business, grow in the most efficient way possible, stay competitive in their respective markets, and achieve their short- and long-term goals.

It is in the spirit of the holiday that we extend our **thank you** to all of those that have supported us in the past. Best wishes for this upcoming year, and we look forward to working with you soon.

Cheers to a brighter new year!
