

## Jeff Lerner Reviews

<https://jessesingh.org/entre-institute-review/>

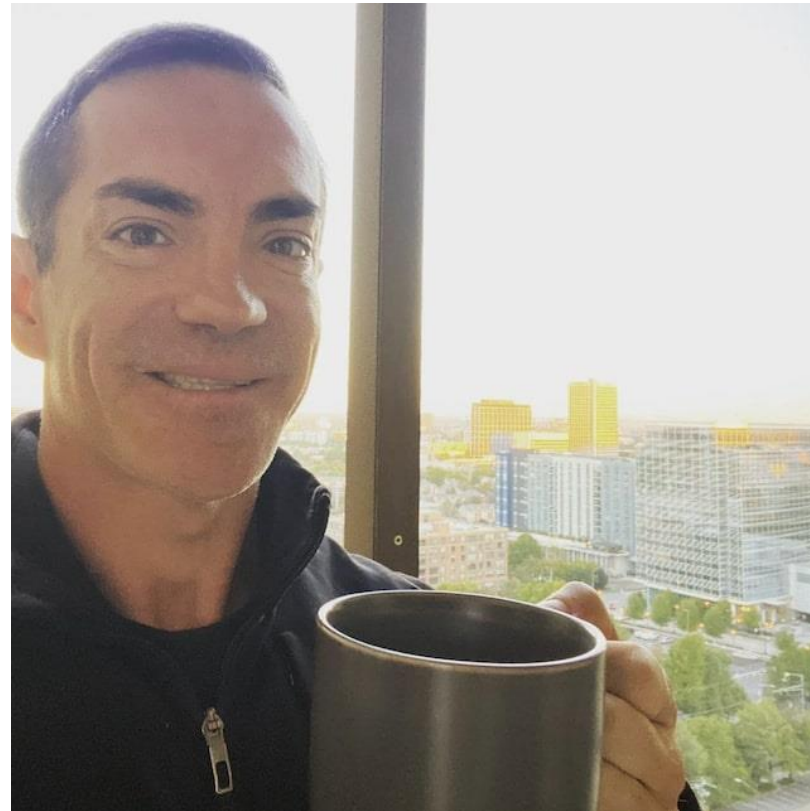

I noticed there is a lot of misinformation out there about Entre Institute and Jeff Lerner, so I decided to set the record straight.

Most of the reviews I see are from people from Wealthy Affiliate who claim to do unbiased reviews, but honestly they call everything pretty much a scam...

They don't look into the company legally or anything like that...

Instead of HELPING people in their own business, they do the bait and switch to say “Hey check out my business opportunity because it’s wayyyy better”.
