APPRECIATION AWARD CRITERIA

- The above-mentioned students have been selected for their commendable performance in their school only (not national appreciation).
- One student from each participating school with minimum participation of 15 students at national level, has been awarded (irrespective of his/her score).
- If the schools' participation is less than 15 students at the national level, only the students scoring 90% and above in these schools are awarded (only one student in each school).
- Only one student per school is selected including both competitions.
- The student selected is the highest rank scorer in his/her own school.
- All students rank 10 and below are also awarded.
- All students scoring 96% and above are awarded.
- In case, the name of your student does not reflect in the list, please get in touch with us. We will do the needful.
