I'am in happyneess if I can give to You, all my Thanks and Every Day !

**I King Gottwald Peter, I Thank You very much for every Dear Wife and
Your Precious and Beautiful Smiles and Motivation**

I'm really very Thank each runway to me very Respectable Woman, for Your Beautiful smiles and photos! Thank You very much, and really I Tank You very much for it that You really very comforts me and shows me that the world today is still really nice, so I also want a really very much want to give back to each Weighted Wife for her effort and dedication, time and motivation!

Would I have You all very reciprocate and return to You the possibilities that can for You in many ways to improve Your life or make many life options, but the main thing is that You stand on my side and it is in my interests for You to create a Really Perfect Worlds !

Thank You with all my heart and I'm a really very pleased and happy. I would like for You to return Your smile every day, and You always just so grateful to Love, but today I am really under lock and I have really a lot of work and responsibilities. That's why every day I can share my interests and strong gratitude, but even so I am interested to continue.

That is why I also Thank mainly those Women who have the courage and do not stay in one place in the same situation. Women who dare together and contacted together among themselves, strong and courageous Women who extend their own interests and exercise capabilities together to organize themselves, get together, organize joint events and also to develop the community.

Therefore, I will also please the opportunity to use the document Extraterritorial Association, destined for joint unification of society and increase social interests, and the ability to collectively organize globally. Every Woman has the right to use this document and prove expand the number of our members in

the association, during the greetings for their friends and Family. Already today, we can start to number more than 1 000 000 people worldwide, and so we can create a global structure at the level of movement is fully legitimate and peaceful nature.

Today, Dear and for me, very Beloved Wife, your value to me is truly loving and truly sovereign and I want You thus be able to encourage and support You every day! Every day, give each of You many wonderful gifts and values indicating My love for You, and trust and loyalty, affection and strong affection. Would I have every day, giving You love the gifts and all your quality of life and needs, I give You my constant care, I want to promote your own interests, your joys, your smiles and foremost I want to create an environment that is right for You really is the ideal and best place for life.

Today, You're a great strength of the facts and the true value of a significant nature. To me, You're a big life motivation and desire, and aim for the days of my life, environmental commitment and daily care of each of You precious and credible women. The world of politics, your number is really great, and the level of today's International dimension, it is really much You therefore that your movement was recognizable as a Real State and Nation, and indeed the value of such political rights and entitlements at the level of International rules! You have Women really perfect, and really You want to motivate your corporate cohesion and determination to jointly consolidate and expand, because it really is a great option for any Woman of You and the ability to achieve large and significant step in the life of each of You, your options are really big and we can together really open and use!

Therefore, I want to really motivate while I certify that I truly adore You and You really heavily Thank You! You are an amazing Woman and perfect, my goal is really important to ensure You a perfect life full of care and love of a beautiful friendship and give You a perfect world.

Today, we are is legal form of State power into the Global Political times. Together, we can create a step to start making our own companies that give us the possibility to immediately build our own restaurants, stores, hotels and guest houses, recreation centers and other great centers that can be freely used by our community. It's definitely good to invite others to collaborate, firms, corporations, banks and governments and politics. Not lost a step to expand on a global level, especially when all states are always free association rights.

In the same interest, within one month, we are able to build our own palaces on all continents around the world, and common global conferences, meetings of more than a million people in one place, and we're all just so we're enjoying life and really amazing the possibility that we can create together.

Our ability to build its own commercial centers, theater, opera, big clubs, gardens and palaces, and also the spa and the city full of luxury, our cooperation is global in scope and also the ability to expand beyond their own right, even with government support!

It's Beautiful to live in palaces that are full of singing and art, friendship and beauty, health and good peaceful life force, a lot of new life energy and the significant expansion opportunities, and contacts with many significant and important, inspiring people from all countries around the world and all states.

We are together, we are also power and is therefore a real shame not to make use of such opportunities. It is a step that gives You great joy throughout the day and Your life! And I wish for You to make Your every day life and was really Beautiful and full of unique possibilities!

Immediately, create our own autonomous centers of industry, always plenty of luxury textiles, luxury perfume, cosmetics and beauty salons directly in our palace, and all possibilities for develop all luxury palaces for You Dear and Weightness Wife's, also for Your Weightness Families. I want to encourage You and indeed for any of You want to return all Your smiles and sympathy, inspiration and Your esteemed friendship.

I would like for You to build palaces and large castles and palaces, together we too can quickly establish our own business corporations and consortia. We build our own banks with global business and political cooperation, we will establish a global business network and also immediately able to use unlimited trade and development resources. If You, Dear Women, if You wish, we can also build a new big cities or even engage in politics, to promote the world and its growth, ensure the peaceful development of mankind and inspire many future generations toward peace and friendship.

It's up to You, and I want to fully support and encourage You. It is the option for You, which You can use because You have to be able to change the world together toward a better and encourage the growth of all mankind, to promote peace, justice and also to support and Love between nations and peoples. You is a Great Woman, and You are is a Great and Important part of Mankind ! I Love You every One !

Every Woman that I was also encouraged, I will Thank You very much for Your courage Beautiful and Weightnes Women, so You also please and to be able to support the development of ID's provisory office and to You that together we can gain a significant position of life that also means even global diplomatic missions relations with traders around the world, political parties and the organization of global political and business conferences and relations, but also the possibility of building a global network of allied armies, and also of establishing the new civilization.

Today, each of You, precious and awe suitable Women could support our mobilization especially when using public information ID's government, and their strategic dissemination and distribution for legitimate purpose authorized International law, in order to increase cooperation network among all retailers in worldwide, trade & bank associations and banks, in particular political parties and other governments and countries throughout the world, International

organizations and bodies that together we can build a truly global force and so we can actually win.

But if You will support our mutual relations on the level of actual official functions, and genuine cooperation as a political group, together we can act as a real logistic superpower on the level of business, politics and security, and our support can be truly global character and with our real dominance, but also with tougher and stronger powers than any of our opposition.

Activities at the policy level, it is always a great opportunity and a great step which means growth of high adventure and strength to any loving Woman of You, for Your Family and for Your Dear friends.

If You Dear Women unite together, then Your power is able to build a true superpower, because social logistics is really the most important, and ensure the growth of actual security that can not be damaged.

Steps by the official intelligence, communication with military organizations and building superpowers messages with offers of cooperation and dissemination of opportunities for growth in the security of globalization, but also conferences main representatives of State and General of the Army, as well as business corporations with military technology and thus expansion of its own dominance the level of world security policy, or in the world of global trade. Every Woman has the right to possess, therefore, that its strength was equivalent to a dominant, because the dominant Woman is Beautiful and strong, the one who is best able to recognize our real world.

Therefore, in order to explore the real world, it is advantageous options and fully establish and organize conferences concerning global trade and development of all civilizations in the world. Steps for shared use ID's Intelligence means the possibility of building all civilizations from all over the planet Earth, and thus establish many important meetings and conferencies among more than one hundred thousand major retailers worldwide, as well as millions of political leaders in more than 300 countries around the world and several hundred international organizations.

I also plea and Love Your support, support for building more optimism and expansion peace vision at the level of the current European and world politics, and together we can inspire the entire world to a truly positive steps and intentions, even the steps of reconciliation and motivation for the growth of the welfare of nations and beauty our world. Each Woman's own Beautiful personality and glamor, gorgeous smile and friendliness that can open the heart of each man, and also the interests of friendship with every Woman, because every Woman and really has great power because to build our great alliance and the growth of peaceful nature! Each of You Dear wife, I can write a letter, a message pleading for the preservation of peace or for the purpose of world peace to help. Your act at the level of the International organization is a great pride for You, as well as the opportunity to learn the true value of our world.

I certainly Thank You very much, and I appreciate Your willingness to support and build a new world, I can therefore build a new worlds for You.

Any Woman who will Love me and support, I will therefore reward establish

and civilizations right for You, and the name of the whole dimension of civilization, I pay Your Love and fully devote all of You, to Love You this way every day and get You all Your interests, joy, life full of beauty and tenderness, always Lovely company and very strong environmental prize!

Each interest is certain that every Woman on my side, always equal and non-discriminatory, therefore, always with the same rights as a free man, all right profession, all right social relations, all rights movement of civilization, but also always full rights truly free and valuable that Women should not be discriminated against in any way in society.

No slavery of Women, no blocking or discrimination and humiliation. The Woman is a Beautiful creation of God, and always intended to Love, Loving and Caring.

Therefore, together we can also support Women's rights and freedom for all Women in the world, and for the rights of unmarried families and safe for everyone around the world.

I King Peter Gottwald, always offering options beyond just the basics of cleanliness and generosity, to support efforts to develop the world today and thus giving people new and significant opportunities in life.

Every Woman who proves her commitment and Love for Me, I do You for that I'm truly supremely loving and expand your civilization for You that will be created only in the name of my Love for each of You! I'll give You a Beautiful and Luxurious Life, and the freedom of the strong love, life is very long and full of tenderness, love, fulfillment and success in life especially large and strong loving gifts every day, so why I could prove to You my Love full of possibilities!

I would like to Thank You very much, personally and each of You! Thank You all, and really You greatly appreciate and I really Thank You for Your progress and support the Beautiful excitement of seeing the world and imagine Your beauty in the inner identity of Women as creatures Dear and Important for the entire world, leading to Peace and Good interested!

I love the time when each woman of you can come to me and prove to me directly weighed in the determination of your mouth for me. Thank you, and I want you for it every day immensely love!

Dear Woman, I love, if I can Love Your Life !
Every day, I love, if I can give a Best Sucess to You !

I also want to draw attention, many Women are false, without any authentication, and often for the purpose of espionage or infiltration of political reasons. It will therefore not able to fully joint open contact until the option to ensure full verification. Avoid personal threats, and do not trust people who are unable to prove their true purpose. Good is thoroughly familiar, and even watch the range of Your friends who will support You in personal safety, and they You can have a safe supervision.
