RE: AFRICAN EXPRESS AIRWAYS INACCURATE INFORMATION

Dear Volunteers & Supervisors,

I am writing on behalf of African Express Airways to inform that part of the information published in the web is inaccurate, in light of it I performed several changes or editions to the page under my login (Afex.do), such changes were reverted, I must say that (Middayexpress) kindly explained the procedure for editions to be accepted and validated by Wikipedia.

In order to comply with your policies I have attached certified true copies of several Company documents as evidence of my query.

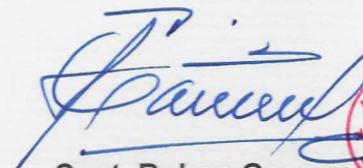

It is very important for us to clarify that African Express Airways is a fully Kenyan registered and owned company, not Somali. In addition Mr. Abdirizak Khalif Isse (pictured shown in the article), is completely unknown to African Express Airways.

The above mentioned elements among others (destinations, fleet, services) need to be modified since it has raised issues with our Service Providers and International Authorities, furthermore we need to maintain the transparency and accuracy of all the details concerning our Company.

I finally request that any information I edit within the page to be accepted and supervised.

Please do not hesitate to contact me in case any concern. (do@africanexpress.co.ke

Sincerely,

Capt. Ruben Gamero
