# **PAIN-FREE TATTOO REMOVAL HAS ARRIVED IN VERO BEACH FL**

**With the rise in popularity of tattoos and body ink, Tattoo Regret has also increased. Dr. William H. Frazier of Vero Cosmetic Surgery and Medispa now provides tattoo removal services in Vero Beach, Florida.**

Dr. William Frazier has over 25 years as a plastic surgeon with surgical and non-surgical cosmetic procedures at Vero Cosmetic and Medispa in Vero Beach, Florida and now uses the latest advancement in laser technology, the [PicoSure Laser by Cynosure](#) to provide safe, painless and fast tattoo removal services.

Pain management and pain avoidance are top priorities for Dr. Frazier.

The PicoSure laser works by using mechanical light to break up the tattoo ink and avoids pain to the patient because it does not use heat thus making it more effective in fewer treatments.
