**Dear Colleagues,
Dear Ladies and Gentlemen,**

During the debates entitled “CIVIL SOCIETY – ESSENCE, ROLE AND RELATIONS WITH POWER, PARTIES, CINDICATES AND EMPLOYERS”, which took place on July 11, 2013 and were organized by the Forum “Civil Control” (established in 2007) it was taken a decision to express our solidarity with the journalists from all over the world who reflect the protests of the civil society of the Republic of Turkey.

We regret so much for all the conflicts and physical treatments of journalists on the territory of the Republic of Turkey including their arrests.

We have plea international organizations to take urgent measures!
