

Hello. For years, we were giving programming and designing courses on siberakademi.net. But now we added a lot of different courses from Turkish literature to Sciences. . In addition to this, we will be providing online lessons. The reason you are reading this Email is we are taking new teachers who are capable of giving online lessons on our website, siberakademi.net.

How the system works?

1. Membership

- First you need to be a member. You shall provide Name, Surname and branch. i.e. Ali Demir – English
- Then, fill your contact information

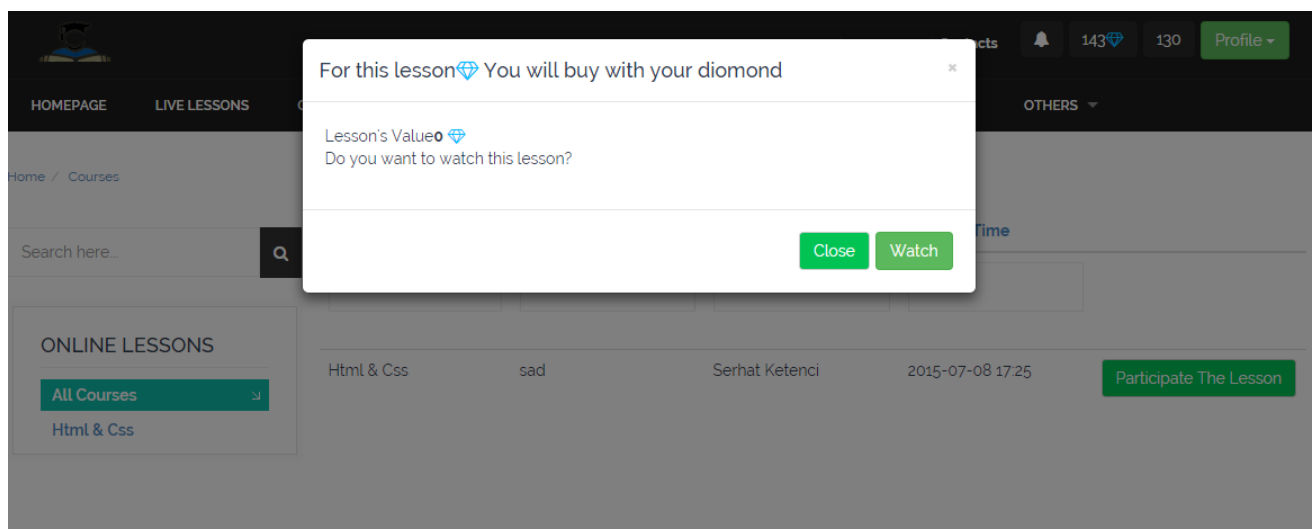

The image shows a screenshot of the siberakademi.net website's membership registration form. The form is centered on a teal background with various educational icons. At the top, there is a navigation bar with links: ANASAYFA, SERTİFİKALAR, KURSLAR, PAKETLER, FORUM, BLOG, YOL HARİTASI, SATIŞ ORTAKLIĞI, and HESAP NO. In the top right corner, there are links for 'İletişim', 'ÜYE GİRİŞİ', and 'ÜYE OL'. The registration form itself is a white box with a blue book icon at the top. It contains several input fields: 'Adınız Soyadınız', 'Kullanıcı Adı', 'e-Posta', 'GSM', 'Şifre', and 'Şifre Onayla'. Below the 'GSM' field, there is a red error message: 'GSM boş bırakamaz.'. Below the 'Şifre' field, there is another red error message: 'Şifre boş bırakamaz.'. At the bottom of the form, there is a checkbox for 'Şartları ve Koşulları kabul ediyorum' and a question 'Parolanızı mı unutunuz?'. A green 'ÜYE OL' button is at the very bottom of the form.

2. Elmas System

- Students will participate lessons through Elmas System. When the student registers to the system they will be buying diamond. i.e. 30TL for 50 diamond.
- For each lesson, a known amount of diamond will be taken from student's account. i.e. 1 Online English lesson is 2 diamonds.
- If student participates your lesson, 50% of the diamonds taken are yours. Note: the diamond will be converted to real money.
- How much diamonds will be taken from the student for a lesson will be set by our department managers. If you want to change those values set by the department manager you shall write a letter explaining reasons. We will be happy to consider it.
- Money you win from the online courses will be transferred to your bank account in 3 working days.

Home / Courses

3. Teachers' Online Lesson Page

- On clicking the Teacher's Login button, you will be forwarded to your online class room. Lessons schedules will be sent to you through mail and will be reminded you through Text Message or by call.
- Teacher shall save the online lessons as video. So that, students who don't participate an online lesson can watch the lesson offline as a video.
- Teacher will also win diamond from the offline lessons.
- Teacher will also record a normal lesson as a video without been in an online class. Diamond is given for those videos also.
- No diamond will be taken from the student by re-watching again a video that was watched before.

The screenshot displays the user interface of an online education system. At the top, there is a dark navigation bar with a logo on the left and user information on the right, including 'İletişim', a notification bell, a diamond icon with '0', and a 'Profilim' button. Below the navigation bar is a horizontal menu with links: ANASAYFA, SERTİFİKALAR, KURSLAR, PAKETLER, FORUM, BLOG, YOL HARİTASI, SATIŞ ORTAKLIĞI, and HESAP NO. The main content area has a breadcrumb trail 'Anasayfa / Kurstar' and a search bar labeled 'Burada Ara'. Below the search bar, there are three tabs: 'Ders', 'Konu', and 'Öğretmen'. A table of course listings is visible, with columns for 'Ders', 'Konu', and 'Öğretmen'. The first row shows 'Kuantum', 'asdasdasd', and 'siber2'. To the right of the table, there is a 'Derse Katılabilirsiniz' button and an 'Eğitici Girişi' button. On the left side, there is a sidebar with sections for 'CANLI DERSLER' (Tüm Eğitim Setleri, Kuantum) and 'GEÇMİŞ DERSLER' (Fizik). The footer of the page features a logo of a person reading a book.

4. Distance – Online Education System

- Your webcam shall be on to display your face at the bottom left.
- Your microphone shall be on to be heard by the class.
- You can see how many people are participating your class.
- You will be able to ask questions
- Students participating can chat with you through message.
- After the online lessons finish, you will be able to send documents in PDF, Excel, Word, PowerPoint formats, etc.

- g. Teachers may open PowerPoint slides or already uploaded video lessons on the online education system.
- h. Uploaded Excel, Word, PDF documents can be converted to flash documents for easy presentations. Copying these documents will also be prohibited.
- i. Students can study the videos, documents, slides and links before or after the online lessons.

5. Uploaded lesson's History

Uploaded videos and online lessons will display on the Timeline From the first to the last.

Objective C

İphone programlama için gerekli alt yapıyı bu dersler ile sağlayabilirsiniz.
