## 3. Team Assembly:

- i. **Team Captains:** Once registration closes, the highest ranked players (determined by the NA League of Legends Ladder) who have registered for the tournament will be designated as team captains.
- ii. **Team Drafting:** Team captains will then take turns drafting players based off their rank alone. The team captain with the lowest ranking will pick first, followed by the team captain with the next lowest ranking, ect.
- iii. **Premade teams of five** are prohibited from joining. Due to the tournament's smaller size, we are enabling this rule to prevent teams of higher ranked players from sweeping the tournament.
- iv. **Duoing:** Players, upon registration, are also given the option of Duoing with another player who is also registered for the tournament. Similar to League of Legends Ranked Solo/ Duo Queue, players can either enter the tournament alone or with a partner. When players indicate that they want to duo together, they will be listed as a Duo Pair in Team Drafting. Team captains will have the option of choosing a Duo Pair for their team.

- a. The option to Duo with another player is based on a first-come first-serve basis. There can be a **maximum** of 1 Duo Pair per team. Therefore, the option of Duoing will be closed after 8 Duo Pairs have been registered.
- b. Furthermore, to maintain the competitive spirit of the tournament, players who are of Platinum Ranked or higher are prohibited from Duoing.
- c. Players designated as Team Captains will forfeit their Duo Queue option.
- v. **Smurfing** (Playing on an alternative account that is much lower ranked than your primary account) is strictly prohibited. Any player caught smurfing will be immediately disqualified from the tournament and be ineligible for any of the prizes.

**4. Prizes will be awarded as follows:**

- i. Members of the **first place team** will each receive a \$25 RP LoL gift card.
