

Our Linen Bolster Cover allows you the flexibility to change your bolster's look or fabrication without purchasing an entirely new bolster!

With an elevated, yet artisanal aesthetic, you can invest in this luxurious fabric option in good conscience. The low levels of water used to grow the flax plants in creating these fibers, make it much more earth-friendly than alternative fibers on the market.

A bolster pillow is a type of pillow that is often used in conjunction with other pillows. It helps to provide support for the head and neck, and can also be used to prop up the body when sleeping on your side.

Bolster pillow cover sewn from premium quality linen, it is durable, eco-friendly, do not harm the environment. Designed with an invisible zipper.

If you can't find the color or size you are looking for please feel free to contact us, and we are happy to personalize a piece just for you.
