

Jazz's Halloween Party 2020 Itinerary

Friday, October 23rd 4:00PM Game Time (7PM EST)

Happy Halloween Inn on Isle of Kent

Disclaimer:

I do my very best to create smoothly running and consistent events, but please note that the schedule, prizes and times are subject to change. I am in no way obligated to do any of this – I do it so that everyone can have fun. If you or I are not having any fun, I've been known to just move on or improvise.

On-Stream Schedule

4:05 PM 500K	Name That Spooky Tune 20 Songs, 25k prize per answer! Songs will be played on the Twitch stream, and you will answer via inn chat . Here is the link to the twitch stream: https://twitch.tv/jazzthepirate
4:35 PM 1M	Costume Party Judging The following categories will be judged/ prizes will be given out at this time: <u>Best In-Game Costume</u> – 250k <u>Funniest/Tackiest In-Game Costume</u> – 250k <u>Best Pair/Group In-Game Costume</u> – 250k (split evenly among winners) <u>Best In Real Life Costume</u> – 250k *NOTE: At the beginning of the judging, I will tell you to take a selfie and include something in the picture that lets me know the picture was taken at this time. You will post it in the #costume-submission chat when the time comes. Here is the invite link to the discord: https://discord.gg/X5VMp6m
5:05 PM 500K	Halloween Trivia 10 Questions, 50k prize per first answer! Questions will be asked in inn chat first , then read aloud on stream.
5:35 PM 10 Shadow Boxes	Trick-or-Treat Videos Submit video links to the #trick-or-treat Discord channel. If the videos make Jazz produce an audible sound (laugh, jump, scream, or anything that is not breathing) you win a shadow box prize! Read closely, as this one obviously needs further explanation: 1. Limit one video submission per pirate. You should submit videos prior to the event starting for a better chance of your video being featured. This is because my moderators will need to vet the videos to ensure that the livestream is rated PG-13. 2. When submitting, be sure to include your pirate name. 3. If you make Jazz make a sound, a Shadow Mystery Box will be opened live on stream by Jazz and the contents within will immediately be traded to you. If you are not online, they will be kept permanently. 4. First come first serve. This mini event lasts 1 hour. Shadow boxes not given away will be kept, and submissions I do not get to will be ignored. The maximum box prizes given out will be 10. Here is the invite link to the discord: https://discord.gg/X5VMp6m
6:35 PM Unnamed Solid Purple Lobster	Final Giveaway I have an unnamed solid purple lobster to give away. There is a super-secret way someone will receive it. At 6:35, the riddle/puzzle/thing that needs to be solved will be released!
