

**SUMMARY: Democrat leaders may have overstepped their playbook, demonstrating their irrationality and blatant dishonesty. Payoffs were filmed changing hands in the senate. Q indicates that POTUS is still confident that Kavanaugh will be victorious.**

**Sources still say POTUS wants this RV done this month, which means, by Sunday.**

Yesterday I shared a long document called **My Big Fat Wonderfully Wealthy Life**. It was compiled by SongByrd21, but most of the research was provided by Rajaf, on TNT and other forums, as researched over a couple of years. I got a message from Rajaf this morning that reminded me of this, and pointed out that much of the information was now obsolete, so please be careful how you use it.—dle

## **"More Evidence of QFS Being Deployed" by Fireswan - 9.27.18**

<https://www.wyden.senate.gov/imo/media/doc/state-dept-cybersecurity-letter-from-wyden-gardner-paul-markey-shaheen.pdf>

In this letter, the Senators are requesting that the State Department adopt the controls that are required for the Office of Budget and Management. The OBM is part of the Department of Commerce. The OMB has already (or is in the process of) switch over to the QFS. In order to comply with what the Senators are requesting, the Department of State must switch over. When they switch over, what happens?

1. No bribes
2. No secret accounts
3. No slush funds
4. No pay Peter to Pay Paul
5. No secret alliances
6. And especially no private parties with children as entertainment and worse
7. No special state dinners, airplanes rides to Pedo island, state sponsored secret summits and "state business" in the Bahamas
8. No secret servers, Gmail accounts and Xbox games

No money no honey

Watch "allies" disappear like molting crocodiles shedding their skins
