Oral Tren Results, and Cycle info inside. ... i used 500mcg a day and this was my sweet spot. It brought me fast gains in a week and i was hooked, i new it was doing what i wanted and i busted my ass hard in the gym for the next 3 weeks. ... it worked but the 12 weeks of Test was not as great as the 3 weeks of oral tren. It was the best product ...

Her name is Fiora and is an Apache chilli! It does not get as big as Flemming, but will deliver some good strong chilli fruits☐☐

250-500mcg/ed for 4 weeks max. Split-dosage during the day. ... some people can run a weak oral like Epistane for 4 weeks and itll blow their liver values into the 400's and some can run 100mg of anadrol a day and it wont do shit to them. ... hey guys so its been about 5 days since starting my oral tren cycle. i was taking 250 mcg per day then ...
