EXT. OUTSIDE APARTMENT - DAY

WE SEE AN ELEVATOR.

Somebody is coming up. The doors open. Const (#1) steps out looking fresh and well, wearing her jacket and all. Inside the elevator is a guy wearing headphones. Always kinda frowning. This is Mr. Green.

She steps out and heads towards the apartment door.

MR. GREEN
(Yelling through the
headphones)

CONST! ONCE YOU'VE FINISHED THE
MEETING WITH HANZ MEET BACK AT THE
OFFICE. WE HAVE TWO MORE HITS AND
THEY SPECIFICALLY WANT YOU. DON'T
UNNECESSARILY TAKE TOO LONG.

Const gives him a thumbs up and then rings the doorbell. Mr. Green presses the G floor.

WE SEE FROM MR. GREEN'S PERSPECTIVE

As the elevator door closes, Mr. Green sees Hanz answer the apartment door. The elevator doors close completely.

INT. ELEVATOR

Mr. Green is riding the elevator down to the ground floor when he gets a quick migraine and then:

THE SCENE IS MIRRORED

He feels weird but ignores it.

EXT. TOP FLOOR

WE SEE THE OUTSIDE OF THE ELEVATOR.

The doors open and Mr. Green exits. He is confused. He thinks he pressed the wrong floor so he enters the elevator once again and presses the ground floor.

INT. ELEVATOR

The doors close. The elevator moves. Once again Mr. Green gets a quick migraine and gets kinda dizzy. He ignores it.

The elevator reaches its floor.

EXT. TOP FLOOR

WE SEE THE ELEVATOR DOORS

The doors open. Mr. Green exits and finds himself on the same floor. He is really confused. Out of curiosity he decides to check out the door to the rooftop.

He opens it.

EXT. ROOFTOP

He enter onto the rooftop. A big open space. He walks around. He heads up the stairs to the pool area. Enjoying the view. He dips his hand in the water to feel it.

WE ZOOM IN ON HIS HAND IN THE WATER TO EMPHASIZE IT. MAYBE EVEN USE SOME SLOW-MO.

SUDDENLY:

THE SCENE IS BACK TO NORMAL. NO LONGER MIRRORED.

Mr. Green takes his hand out of the water and looks around confused. He shrugs and turns towards where the stair were when they were mirrored, then realizes they're on the opposite side now. He looks confused. He shrugs again and heads towards where the stairs actually are. He walks down.

He walks back to the roof entrance. Feeling like things are in a different place. Ignores it and heads inside.

EXT. TOP FLOOR

He presses the elevator button. The doors open. He enters. The doors close.

INT. ELEVATOR

He presses the ground floor. Looking at it carefully. Making sure he pressed the right button. He relaxes a bit.

SUDDENLY - He gets another migraine.

THE SCENE IS MIRRORED AGAIN

He panics slightly. The elevator reaches a floor.

EXT. TOP FLOOR

The elevator doors open. He carefully steps out. Looks around. He's back on the rooftop floor. He is worried. He pulls out his phone and dials Const's number. He puts it to his ear. It rings. It goes to voicemail.

MR. GREEN

Ugh! Voicemail!

(Talking to the voicemail)

Const! Listen! Something is going on. Really weird stuff. You should call off this meeting. Head back to the office using the stairs. I repeat. Only use the stairs. Just think about that, Const.

He hangs up and puts the phone in his pocket. He looks at the stairs and quickly walks down.

As he is walking down the stairs and goes to the lower floor, out of sight:

IN THE SAME SHOT

A second later he is coming down back from where he started.

SOMETHING KINDA LIKE WHAT HAPPENED IN INCEPTION

He stops in the middle and looks around. Worried and confused.
