Receives Award For Excellence

RECEIVES AWARD: Bunker Hill Community College Nursing Student, Deborah Stetson of Charlestown, receives an award for Academic Excellence from Executive Vice President, Mon O'Shea, also of Charlestown. Judith Sanford-Harris, Assistant Dean of Academic Affairs, looks on. The award was presented to three Bunker Hill Community College students who are continuing their studies at the College and have consistently demonstrated outstanding academic achievement.

Residents And Massport Officials Meet To Discuss The Authority's Relationship With Charlestown

by Marianne Martin

Several Charlestown residents have expressed concern over the relationship the town has had with the Massachusetts Port Authority, more commonly referred to as Massport.

As one of the six communities impacted by Massport operations, namely from the Mystic Tobin Bridge, Logan International Airport, and the waterfront, residents are wary that Charlestown may not be receiving its "fair share" from the Authority.

Among the other affected communities are East Boston, Revere, Chelsea, Winthrop, and South Boston. Charlestown residents, while expressing their appreciation to Massport for their financial contributions to various

town programs, also want to insure that Charlestown is receiving as many benefits from Massport as the other five communities.

On Friday, February 22, 1985, Massport officials, at the invitation of the John F. Kennedy Center Board of Directors, met with a handful of residents as well as Jay Ashe of State Representative Richard Voke's Office and Charlestown resident David Flanagan from Mayor Raymond Flynn's Office, at the Mary Colbert Apartments to discuss the Authority's present relationship with and commitment to Charlestown.

In the past, this relationship has been strained, but it has been the attempt of both the Authority and the Kennedy Center to change that.

Last year, a similar meeting was held between the Kennedy Center and Massport, at which Massport was asked to support the community in terms of financial aid to programs as well as provide jobs for local residents.

Massport officials, David Davis, the Executive Director, and Patrick Moscaritolo, the Director of Public Affairs,

both stated Charlestown receives more than "its fair share" from the Authority.

According to Moscaritolo, Massport, as a result of last year's discussion, has "delivered a lot of those things" requested of the Authority by Charlestown.

Charlestown resident, Ed Johnson, addressed the issue of summer and permanent jobs for local residents. According to Johnson, Massport's Moran Terminal in Charlestown "could stand a few of our young people for summer jobs."

Moscaritolo told Johnson that the manager at Moran Terminal "has a budget he has to live with" and if the budget can not support the hiring of summer help, individuals could work at another Massport Terminal.

"There is no rule that states, 'If you live in Charlestown, you can only work at Moran,'" stated Moscaritolo.

Davis stated in addition to budget restraints, there must also be a job to do. The Director continued to state that Massport would not hire individuals for the sake of providing a job. "I won't have people standing around. I don't want to teach people bad work habits."

Mrs. Margie Kent asked if Charlestown youths were receiving as equal a chance for summer employment as the other communities.

According to Davis, Massport provided a total of 110 summer positions this past summer.

"I suppose we (Massport) never can do enough (in terms of employment)," stated Davis. "Because there are numerically more people

Preservation Society To Meet

The Charlestown Preservation Society will meet on Sunday, March 3, 1985 at 7:30 p.m. at the First Baptist Church Hall, 5 Monu-

ment Square (to reach the hall, walk down the path at the left of the Church building).

The meeting's guest speaker will be Professor Alan Rogers, Chairman of the Department of History at Boston College and co-author of the recent book "Boston, City on a Hill." Professor Rogers will talk about the social and political factors which led to Charlestown's annexation to the City of Boston in 1874.

All are welcome to attend.

Charlestown E.D.C. Seeks Board Members

The Charlestown Economic Development Corporation seeks Charlestown residents, 18 years and older, from Precincts One, Two and Five to sit on its Board of Trustees.

The Charlestown Economic Development Corporation is a private, non-profit charitable corporation organized for the purpose of developing employment and housing opportunities for Charlestown residents.

Candidates should express their interest to the Charlestown EDC Board of Trustees at the next meeting on Monday evening, March 4, 1985 at 7:00 p.m. at the Mary Colbert Apartments, 20 Devens Street, Charlestown.

Ecumenical Lenten Service

The second Ecumenical Lenten Service will be held on Sunday evening, March 3, 1985 at St. Mary's Church on Warren Street. The sermon will be

delivered by Reverend Brian Murdock from St. John's Episcopal Church.

Refreshments will be served at 6:00 p.m. with the service beginning at 6:30 p.m.

Persons interested in assisting with the Good Friday March of the Cross are asked to meet following the service.

All are welcome to attend.

COMMUNITY DEVELOPMENT BLOCK GRANT(CDBG) PLANNING IN THE CITY OF BOSTON FOR CDBG YEAR XI

Under the Housing and Community Development Act, the City of Boston is expected to receive approximately \$22.4 million dollars in Community Development Block Grant funds for fiscal year 1986.

The Neighborhood Development and Employment Agency (NDEA) is holding a series of Neighborhood Planning Workshops to discuss the current needs, priorities and programs in the housing and economic development fields. We invite agency representatives, community residents, neighborhood association members, merchants, and community development corporations to participate with NDEA in these workshops. Discussions and recommendations will be held assist NDEA in the development of Year XI Community Development Block Grant programs (CDBG). A city-wide workshop on human services needs, priorities and programs will be announced next week. Eligible programs and activities under CDBG include: 1) commercial areas and housing rehabilitation, 2) acquisition, construction or rehabilitation of neighborhood centers, parks, streets and similar facilities, 3) demolition of dilapidated buildings, 4) modernization of publicly owned low-income housing, 5) housing code improvements, and 6) neighborhood security and human services programs.

All meetings are accessible to handicapped people. Persons unable to attend these workshops may send their comments in writing to: Mr. Paul Grogan, Director, Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108. CDBG funds are allocated in accordance with federal equal opportunity and civil rights laws, regulations and requirements.

The housing and development meeting for this area will be held as follows:

To Be Delegate At Regional JA Conference

Judy Mullan, a Senior at Mt. St. Joseph Academy and resident of Charlestown has been chosen to represent her area at the Region One Junior Achievement Conference (ROJAC) on March 4-6 at the Granit Hotel in Kerhonkson, New

York. Ms. Mullan has received this honor as a result of her continued JA involvement as well as doing a superior job on an exam given recently. She will be joining 54 others in the Eastern Massachusetts JA program and will help to represent the Boston

area. ROJAC, which is a conference that hosts students from eight states, is designed to give Achievers a taste of what a real business conference is like by teaching them about communication, leadership, etc. ROJAC is also a way to meet new

people and form lasting friendships.

Junior Achievement is a program which teaches high school students about business. Achievers form their own small companies with the help of volunteer advisors from the business community. For those Achievers that show a true interest and enthusiasm, JA has designed conferences like ROJAC.

Ms. Mullan should be congratulated for her achievement and enthusiasm which has resulted in her being chosen from the over 1,300 students in the Eastern Massachusetts JA program this year to attend ROJAC.

Ms. Mullen is the daughter of Mr. and Mrs. George Mullan of Chappie Street, Charlestown.

State Treasurer Crane To Return Unclaimed Monies

Massachusetts Abandoned Property Law (M.G.L. Ch. 200A) is known as the Unclaimed Money Law. It is one of the states first consumer protection laws dating back to 1907. This law seeks to protect individuals by assuring that unclaimed

bank accounts, uncashed payroll checks, gift certificates, insurance proceeds and other funds which have been inactive for at least five years are returned to their rightful owners.

State Treasurer Robert Q. Crane is charged with

administering this law. One of his responsibilities is to see that banks and other institutions are in compliance with the law. In the past, Treasurer Crane has had to sue banks, department stores and insurance companies to make them turn over unclaimed funds. The Treasurer's Office then must try to locate the missing owners to return their monies to them.

In March, Treasurer Crane will release the names of more than 35,000 Massachusetts residents who are due unclaimed funds. These names and other information will appear in newspapers across the state.

Last year Treasurer Crane returned more than \$10 million to the rightful owners or legal heirs under this statute.

Parking Places For The Handicapped Used By Others

Dear Gloria,

Can you do anything in regards to the two handicapped parking places in front of Papa Gino's in the Bunker Hill Mall? They are always occupied by cars that do not have handicap plates.

Every time I go there with my family, the spaces are not vacant. I am handicapped and the car has handicapped plates.

Thank you for whatever you can do.

Mrs. Mary Marino

Editors Note: A spokesman from State Properties of New England, managers of the Bunker Hill Mall, stated that Boston Police officers have been tagging cars illegally parked in the handicapped zone in the mall. He said that the lines and

handicapped insignia will be repainted within 30 days, to better define the handicapped areas.

An Open Letter From The Boys And Girls Club Beano

To all of our supporters, thank you! Your continued loyalty and support help us serve over one thousand Charlestown boys and girls. Proceeds from beano have paid for many of the costs of our gym and swimming programs, tutoring, and woodworking.

However, as you may be aware, attendance at beano has been declining recently. We would like to reverse this trend and to continue to earn your much needed support for Clubhouse programs. The staff at beano, as well as the staff and members at the Club, ask that you and a

Dear Gloria,

As a delegate to the Massachusetts Consumer Congress, I am asking the people of Charlestown to write to our Representative Richard A. Voke and Senator Francis D. Doris to support the CUB bill which is in the Joint Committee on Government Regulations. The hearing has been set for March 27, 1985.

The Consumers Utility Board (CUB) is a statewide, citizen controlled and funded organization that will fight to keep utility rates down and make sure that the utilities don't waste our money. CUB will represent residential consumers of electric, gas and telephone utilities before regulatory agencies, the legislature and the courts to make sure that the needs and views of residential ratepayers are

Our Thanks

The family of Robert "Cuppy" O'Halloran and the members of Memorial Hall wish to thank the people of Charlestown who made the dedication of the Robert "Cuppy" O'Halloran Hall a success.

We would also like to thank Mayor and Mrs. Raymond L. Flynn, Boston City Councillor Robert

Travaglini, Boston School Committee President John Nucci, and Representative Richard A. Voke for attending the ceremony on Saturday evening.

We thank Senator John Kerry and Speaker of the US House of Representatives Thomas P. "Tip" O'Neill for their consideration.

We wish to thank the Charlestown Patriot for their help.

considered.

One of the reasons that we need CUB is because of the DPU decision (12/83) allowing Boston Gas to charge customers over \$42 million for expenses incurred as a result of their mismanagement; the suggestion that the electric user throughout New England bail out Seabrook I and II; and the various proposals to significantly raise local telephone rates in the wake of the AT&T divestiture are three ways or examples where CUB could help consumers.

I am asking you to write to State Representative Richard A. Voke, Chairman Ways and Means, Room 238, State House, Boston, MA 02133 and to State Senator Francis D. Doris, Room 315, State House, Boston, MA 02133.

The Massachusetts Consumer Congress set four goals at their last meeting:

1.) The Check Clearing bill - passed into law and signed by Governor Dukakis on December 21, 1984 - to prevent banks from holding checks for long periods, has reduced the holding periods on checks;

2.) The Consumer Utility Board (CUB) bill Committee Hearing on March 27, 1985;

3.) The Used Car Lemon Law bill - still pending - to have some kind of protection when buying a used car;

4.) The Civil Penalties bill - still pending - to add heavy penalties to the violators of misleading ads, misleading contracts, delays in settlement of insurance cases.

As delegates (my wife, Margie, and myself) are asking you to write to Voke and Doris, telling them you are sick of paying higher gas, electric, and telephone bills.

WHICH IS THE DACROWN (day-crown)? A cast ceramic covering

You cannot tell because the new crown is Dacrown, short for Dental Associates Crown. The difference is that the ceramic material is cast and there is no metal under the restoration.

ADVANTAGES:

- Stronger than other porcelain crowns.
- Coloring and form closest to natural teeth.
- Fits better.
- No metal at edges.
- Less sensitivity to hot and cold.

DISADVANTAGES: NONE

- The process requires special laboratory procedures
- The crown is made in our own laboratory.
- Prosthodontists (specialists in restorative dentistry) prepare, fit and color these crowns at Dental Associates.

Residents And Massport Officials Meet

(continued from page 1)

than there are jobs."

In terms of permanent employment, in 1984 Massport hired 42 individuals. According to Moscaritolo, 46% of those hired were from the six impacted communities. Charlestown received five of the available positions.

"Are you getting your fair share?" asked Moscaritolo. "Yes. The numbers don't lie."

Massport presently has an internship program which runs during the academic school year with 16 positions offered. According to Moscaritolo, a 1983 court desegregation ruling requires that 12 of the positions be allotted to students of either the Umana School or East Boston High School.

Despite this ruling, Charlestown students received six internship positions last year, stated Moscaritolo.

Overall, Moscaritolo stated that Charlestown "did better than anyone in terms of jobs."

Another area of concern discussed at the meeting was the financial contributions made by Massport to the Charlestown community.

No one present denied Massport's generosity to Charlestown, however, concern was expressed as to, once again, how Charlestown compared to the other communities, specially East Boston.

Using the first six months of Massport's 1985 budget for illustration, Moscaritolo reported that the Authority has set a total of \$22,500 aside for

community contributions. Roughly one third of this figure, or around \$7800 has been slated for Charlestown programs.

Moscaritolo confessed that he, like many others, believed community contributions were divided between jobs and money, however, "that is not the case."

The budget figures "reinforce that this is not the case," stated Moscaritolo.

Joseph Kent, while thanking Massport for their increased community support, asked the officials for a comparative analysis of all community donations.

"We're a small community," stated Kent, "but we get a lot of Massport." Kent cited the Massport operations of the bridge, waterfront and airport.

Among the contributions questioned by Kent, was the renovation of the Dom Savio High School ball field in East Boston.

Davis stated that Massport bought the former Dom Savio field in order to build "factory" housing on the lot for East Boston residents who were forced to move from their homes as a result of Massport's activities at Logan.

According to Davis, Massport, in a joint effort with Dom Savio, is building a new field adjacent to the old one.

Sections of East Boston, namely Neptune Road, which abuts a runway are, according to Davis, "badly affected by Massport, such as traffic and airplanes," and added that "80% of all airport accidents happen at either end of the runway."

Kent asked Davis, "What about the accidents on the bridge? Of the accidents, how many were charged to Charlestown (insurance premiums)?"

The question, "Of the total number of accidents, how many involved Charlestown residents?" was also asked by Kent.

According to Kent, Massport "is making money" from their operations while Charlestown "is being charged for it."

Davis admitted that he had never investigated the accidents in terms of insurance premiums. Davis guessed that since there was no toll plaza on the lower deck of the bridge to slow speeding motorists, many of the accidents "probably" occurred on the Chelsea side.

Kent rebuked, "There have been 14 deaths on the off ramp to Henley Street and of the 14, none were from Charlestown."

The third question raised at the meeting was where did Massport make its money. Both Davis and Moscaritolo stated that the money was made at Logan.

Resident John Kelley disagreed.

Kelley, who has been employed on the waterfront for years stated he felt Massport was "playing hard ball" with their waterfront property.

"Massport is doing pretty well as a landlord," stated Kelley, "the whole area is prime property."

According to Kelley, laborers are in a position where they work "paycheck to paycheck" while Massport "is making all the money."

Others in attendance also expressed concern that Massport, who claims that

their profit is from the airport, may abandon their waterfront operations, citing the recent leasing of the Hoosac Pier as for office uses.

According to Davis, Hoosac became outdated as a "serviceable" pier, but assured "no plans have been made to change the uses at Moran Terminal, and I'm not kidding."

Davis added that Massport would expand the Moran Terminal if the adjacent Gypsum Company decided to move their operations. He continued stating that Massport recently invested \$11

million at Moran Terminal for new equipment.

"The proof is in the pudding," stated Davis, "You don't do that if you're not committed."

Robert Wallace asked Davis to make a long term commitment to Charlestown.

"I'll give you the best commitment that an Executive Director can give. There are no plans to change the maritime uses (at Moran Terminal)," promised Davis. "I will also tell you straight out that there are no pressures on Massport (to sell any) properties."

Courtyard Condominium Design Featured At Reception

Paramount Development Associates, the developers of the Courtyard Condominiums bordered by Main, Harvard and Devens Streets, invited area residents to a cocktail reception on Thursday, February 7, 1985.

The reception was held in the historic Austin Block, cornerstone of the project recently renovated into office space by Paramount.

Guests were treated to a slide show of construction on the site to date as well as viewing a model replica of the future Courtyard. The project not only incorporates renovation of the former Boston Filter Company and Austin Block but also the construction of an underground parking garage for over 90 cars, 80 condominium units in three and four story brick buildings, and three retail units.

Rumors Of Transfer Denied

by Marianne Martin

The Office of the Commissioner of the Boston Police Department has denied the rumored transfer of Area A Deputy Superintendent Joseph V. Saia, Jr. to Area D in the South End.

According to Detective Robert O'Toole of the Commissioner's Office, there has been no discussion of transferring Saia to any other station. However,

stated O'Toole, an evaluation of the entire Police Department is currently underway and a transfer may be a possibility for any officer on the force, not just Saia.

O'Toole stated that Saia has been "commended" by the acting Commissioner Francis "Mickey" Roache for his "outstanding command capabilities."

"Right now, we have not gotten to the point of

transfer," stated O'Toole. O'Toole went on to say that if it is in the best interest of the Department as a whole to transfer individual officers to other stations, then Roache may, in fact, do so, but only if the transfer best serves the communities involved.

"Transfer is part of the job," stated O'Toole.

Earlier this month, Roache was appointed by

Mayor Raymond L. Flynn as acting Commissioner of the Police Department after Joseph Jordan announced his retirement. While the Mayor insists that the search for a permanent commissioner continues, Roache has, during the interim, announced personnel transfers which have caused many to feel that additional changes in command positions were to be expected.

Mite B Hockey Team

The Mite B team will be the first team to be featured in the Patriot.

The Mite B's play their games in Lynn at the North Shore Sports Center. The team is coached by Tom Lent and Mike Duncan, who is also the manager for both the Mite A and B

teams.

These boys and all first year skaters and are between the ages of five and seven. At the beginning of the hockey season, some of the boys couldn't skate but all are skating great right now. The team had 15 players, but two boys,

Patrick Healy who broke his leg and Jammie Honahan who was ill, did not complete the season. The 13 boys left are: Defense-Jason Smith, Christopher Lent, Philip Coleman and George Rodriguez; Forwards-Joseph Lawler, Peter Golden, Jimmy Considine, Joseph Brennan, Robby Murry, Jason Duncan, and Patrick Duncan. Goaltending is split between Kevin Hurley and Paul Lawrence.

This team is going to be in their first tournament on March 15, 16, 17th in Billerica, the times to be announced later.

Any boy or girl interested in playing on next year's team should come to tryouts, which will be announced at a later date.

MEMBERS of the C.Y.H.A. Mite B Hockey Team include: Front row (l. to r.) Dennis Collins Earned It — Plus The Crown

by Bob DeCristoforo

At the Collins' house in Charlestown, the 1985 Christopher Columbus High School Hockey Championship was especially nice. Dennis Collins lives here. He is the Columbus goaltender, excuse me starting goaltender! You've heard about the commercial where the guy says, "We make money the old fashion way, we earn it," well substitute goaltending for money and you will understand the reason for so much celebration at the Collins' residence.

Rookie Coach Paul

Cedorchuk had three choices when he learned that Columbus junior All-Star goaltender Bob Cuddyer of the champion '84 team was ineligible: A) use last year's freshman Pat Manning, B) go with Bill Vacha, a good 9th grader, or C) go with relatively untested senior goaltender named Dennis Collins, who was Cuddyer's backup.

Well, the rookie coach threw the job up for grabs to the surprise of the underclassman and the shock of the senior. Each one got a shot to earn the spot, and in the beginning each had visions of greatness, but there was no consistency. Well, the underclassmen didn't know what to do, and the senior goaltender just

got madder, and here lies the secret to success.

No one knew what would happen after the first Xaverian game, no one except rookie Coach Cedorchuk. Senior Dennis Collins found himself in the net, and he was so mad that he went out and worked very hard, hard enough to win, and get the next start, and would you believe he did it again and again!

In the Xaverian game, Dennis Collins was outstanding, he made some vital key saves in the opening period, and the Friars went on to win 6-3. His performance EARNED him "Star of the Week" Honors in the Boston Globe. Well, the rest is now history, as the Friars won the next

two final games of the regular season and take home a Championship.

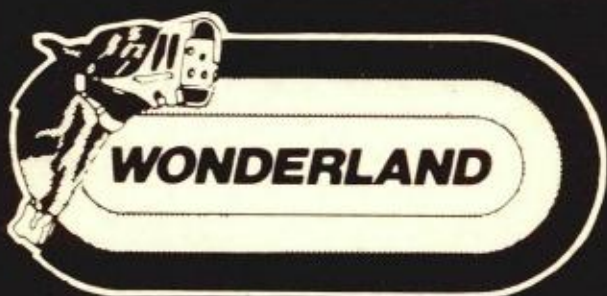

Eight straight wins! Collins in the net for these eight, and one was a nifty 3-0 shutout!

Believing in yourself, and then going out doing the best you can to attain that belief is one of the great lessons high school athletes learn through the course of these playing days. If you want something you have to go out and earn it. Dennis Collins earned the starting goaltending assignment for the Columbus Hockey Friars and he indeed led the team to a Championship Crown.

After the Championship game, Collins put it the best, and if you really look at these words you see a very important message. Collins said, "I didn't fill Bobby Cuddyer's shoes this year, I filled my own."

The Crown fits him perfectly!

Columbus Wins Third Catholic League Championship

by Bob DeCristoforo, Athletic Director

If you picked Christopher Columbus High School to win the Catholic Central League Title in 1985, you were certainly in the minority, but you were right! On Wednesday of last week, the Friars defeated Fenwick 9-2 for their eighth straight win to take the title by one point over rival Xaverian on the last date of the regular season.

This remarkable group of young men weren't suppose to win. How could they? A large Jim Vesey-led senior delegation was gone, Coach of the Year Tom DeRosa had retired, and superior netminder Bob Cuddyer was declared ineligible by the MIAA, and Xaverian with 14 returning seniors was the odds on favorite to dethrone the Friars.

Rookie Coach Paul Cedorchuk and Captains Bill Nolan, Alan Caparella and Brian Ward certainly had their work cut out for them, but in the end they were there when it counted, and a team that wasn't rated is now picked to do quite well in the Tournament.

December 12 - The Friars take the ice as the defending State Champs, and the feeling is unique to any past CC team. What will happen? The opponent is Division I Walpole and Brian Ward quickly showed that Columbus is still in charge. Scoring 14 seconds into the period, Ward and team mate Marty Mullen both have two goals and one assist in the 7-3 win.

December 19 - Home to BU for the League opener against Xaverian, the "contender" for the Crown. The Hawks went home stunned. Sophomore netminder Pat Manning was brilliant in his debut, as the Friars got three second period goals. Xaverian came back, but CC held on for a 4-3 victory.

December 22 - The opening round of the Hingham Christmas Tournament saw the Friars face off against Weymouth South. Down 5-2 early in the third period, Columbus roared back to tie the score on goals by Bill Nolan, Bill Vraibel, and Brian Ward. Senior Captain Alan Caparella got the game winner at 3:48 of the second overtime. Dennis Collins was immense in both OTs. Three ingredients that key mark this team this season - GUTS, TALENT, AND PRIDE shone brightly in this one. At 3-0-0, you get the feeling that the '85 Friars could be heard from.

December 24 - Weymouth North drops Columbus from the unbeaten ranks in the finale of the Christmas Tournament. Alan Caparella had both CC goals in the 6-2 loss.

December 26 - A four goal performance by Brian Ward and a Hat Trick by Bill Nolan paced Columbus in their 11-2 victory over Pope John, but the game becomes only a one game win streak.

December 29 - Arch-rival Dom Savio flattens the flat Friars 7-3. The next day headline reads: "Savio Upsets State Champions!"

January 2 - Six different players got goals in the 7-2 win against Pope John. Junior Marty Mullen leads all scorers with a goal and three assists.

January 5 - Billy Nolan picks off another Hat Trick and Alan Caparella adds a pair in a 7-1 win versus Fenwick.

January 9 - Marian has upset on their minds when they

come to BU, and the Friars are forced to get their "hardest point of the year." At 11:57 of the final period Marian goes ahead 5-4, but with just 15 seconds to go, Bill Nolan takes a crisp pass from Brian Ward and rapidly improving defenseman Vin Pino and sends the puck home for the tying goal for what could be the most important point of the year - remember those three ingredients: GUTS, TALENT, AND PRIDE!

January 12 - Rematch with Xaverian. The Hawks roll it up as the Friars chuck it up. Four unanswered first period goals by the Hawks. Columbus' comeback was shortlived. Nolan, Ward, Caparella are ejected. Columbus reaches a low point. The final Xaverian 7, CC 4.

January 16 - After a week of searching for some explanations, and Senior Captain Brian Ward's immortal cry of "REFUSE TO LOSE," the team fires back at all the critics. Pope John is the first to feel the sting. Freshman goaltender Bill Vacha gets his first win. Seniors Matt Mahoney and Alan Caparella have a pair of goals each in the 7-1 victory.

January 23 - Little elation this time for the Savio Spartans, and no more headlines. Columbus posts a 3-0 shutout behind a sparkling Dennis Collins. Brian Ward gets two goals, but Jimmy Donovan, a freshman, gets what proves to be the "game buster" early in the third period.

January 26 - Marian falls 9-4. Sophomore Tim Connolly and Bill Nolan score two each and Nolan picks up two more assists.

February 2 - Alan Caparella puts on a show getting six points (five goals - one assist) as the Friars defeat Marian again. This 8-1 win shows that the Friars have certainly made up for that missed point.

February 13 - SHOWDOWN AT BU. Xaverian wins, they get the Championship. The League Trophy is on display and each player knows that a loss removes the award. You know Brian Ward would have no part of that, nor would any Columbus player. A loud Xaverian delegation was soon silenced. Brian Ward got a Hat Trick, and Vin Pino and Tom Connolly got their biggest goals of the season in the 6-3 win. Dennis Collins didn't do too bad in the nets, either!

February 19 - Dom Savio returns and their comeback fell short. Brian Ward and Alan Caparella get two goals each in

another must win. The Friars triumph 4-3, and Xaverian can only watch. Their season is over.

February 20 - A win here and the Friars are the Champs. With the Don Bosco stunner over Matignon in their minds, the Friars take the ice and very quickly trail 1-0, but these kids won't be denied. Brian Ward picks up a Hat Trick in the 9-2 win, but more important the team picks up THE Hat Trick-three Championships in three years!

C.Y.H.A. News

Congratulations to the boys and girls for their fine performance in the District Playdowns. The play by some of the teams was just terrific. Also, a pat on the back to all the coaches and parents.

Contrary to rumors, Charlestown Youth Hockey is not dead or dying, it is just in limbo. In the coming months, the Board will be discussing major changes in the organization for the upcoming season.

We are at this time looking for coaches for next year's teams, anyone interested, please call Ronald Vitale at 242-1795 or 623-9573 concerning this matter.

We would like to remind the managers and parents that all money must be paid no later than March 15, 1985. Failure to do so will prevent teams who would have qualified for the playoffs, not be allowed to participate. Failure to

pay has been a most serious matter this season and anyone not fulfilling their obligation will not be allowed to tryout in the

fall. If you have any doubts about this matter, please call Denise "Zeek" at 242-3478.

BOARD ELECTIONS

We would like to announce four positions opening up on the board this year. Anybody interested should contact Tom Lent at 241-8656.

GAMES

We are sorry for not having the weekly games in the paper. With only six games left on most schedules, a lot of changes are being made. Others teams are going away for tournaments and game times are being changed. If you want to find out a team's game time, contact the team's coach or manager.

Cited For Achievement In Mathematics

The United States Achievement Academy announces that Maria Fagioli has been named a 1985 United States National Award winner in Mathematics.

This award is a prestigious honor very few students can ever hope to

attain. In fact, the Academy recognizes less than 10% of all American high school students.

Maria Fagioli, who attends Pope John XXIII Central Catholic High School was nominated for the National Award by Sister Mozzicato, head of the Mathematics Department of the school. Maria will appear in the United States Achievement Academy Official Yearbook.

Maria is the daughter of Mr. and Mrs. Louis J. Fagioli of 120 Faywood Avenue, East Boston. She is the granddaughter of Mr. and Mrs. Mario J. Fabiano of 33 School Street, Charlestown.

Volunteers Needed For Dental Study

A free comprehensive personal dental evaluation and \$25 will be given to individuals who volunteer to participate in a dental research study conducted by Forsyth Dental Center

in Boston, one of the largest non-profit oral health research and educational centers in the world.

The study will involve two visits of approximately

one hour to Forsyth, located next to the Museum of Fine Arts and easily accessible by MBTA or auto.

Volunteers must be from 50 to 60 years of age and have at least 10 natural teeth. No x-rays are involved and the examinations are simple and painless, requiring samples of saliva, plaque and

blood. Participants will also be asked questions about diet.

Individuals interested in participating in this important dental study should contact: Peggy Reska, Forsyth Dental Center, 140 The Fenway, Boston, Mass. 02115, phone 262-5200, extension 368, from 9 a.m. to 4:30 p.m.

Facts About Drugs — F.A.D.

"I know someone who is hooked on alcohol. He goes to A.A. but he still drinks. He's even worse than before. What can I do to at least slow him down or make him stop drinking?"

Many people who go to Alcoholics Anonymous because they know they have a problem with alcohol, but they still want to drink. They haven't surrendered yet. The first step in A.A. is to realize "you are powerless over alcohol and that your life has become unmanageable." This person continues to drink because on some level he feels he can control it, "if I only drink beer...", "if I don't drink before 5:00...", etc. These are excuses that go along with the thought that "I'll quit tomorrow..."

It is essential for an alcoholic to come to the point of saying he can not help himself and he cannot drink. Before that day comes there are often many relapses. With each relapse the disease progresses. It is important for people who live with alcoholics to know that relapses are common and the family is not to blame. The hope is that there may come a day when, because of the pain in his life, he will reach out and take that help that is offered in A.A. It is important for you to know that he is not fooling the people in A.A. Alcoholics have an almost impossible time fooling other alcoholics, because they have played the games too. There will be people there for him when he is ready.

What can you do? Learn about alcoholism. Remember you are dealing with a disease that is chronic and progressive. Keep into your own life as much as possible not picking up the pieces or responsibilities for the alcoholic. Pain is the drinking alcoholic's best friend. It brings him more and more into the reality of his disease. But try to remember that he is not a bad man, but a sick one. If you are an adult, Al-Anon is a great help. Alateen is for teenage children who are dealing with an alcoholic relative. Their numbers are in the phone book.

Any questions? Call Mimi White at Charlestown Clubhouse, 242-1775.

Parents' Discussion Group

Anne Grady, Computer Education Support Specialist at the Boston Public Schools, will be the

guest speaker at the Parents' Discussion Group of the Charlestown Library on March 1 at 10:00 a.m.

Open House

Open House will be held at the Somerville Hospital School of Nursing, 125 Lowell Street, Somerville on Wednesday, March 6th from 7 to 9 p.m. This recruitment function is for people interested in a career as a professional registered nurse. Faculty and nursing students will be available to provide information about the program and conduct tours of the school and hospital. A panel discussion on today's job opportunities will be given by recent graduates of the school.

Ms. Grady will explain how computers are used in the schools today and how they may be used in the future. She will bring along a computer to show the audience and will allow "hands on" experimenting. Coffee and donuts are available. All are welcome.

Charlestown Police Line

From the desk of
Deputy Superintendent Joseph V. Saia, Jr.
Commanding Officer, Area A
Downtown, Charlestown, East Boston, Beacon Hill

On February 13, 1985 at 5:00 p.m., Police Officers responded to 10 McNulty Court. On arrival, the officers observed a man on the roof of this location. This man was identified as a suspect who had previously been ordered to leave the area. The suspect, a 36 year old man, was placed under arrest for trespassing, and taken to Area A for booking.

On February 13, 1985 at 6:00 p.m., Police Officers responded to a radio call relative to a motor vehicle being stripped on Terminal Street. On arrival, the officers observed three males fleeing from a motor vehicle which had been set afire. The officers pursued the suspects on

foot. The first suspect was apprehended at Old Ironsides Way, the second suspect was caught on Tufts Street and the third suspect made good his escape. The two suspects were transported to Area A and booked for larceny of a motor vehicle and arson of a motor vehicle. Both suspects were identified as juveniles, ages 14 and 15, and residents of Charlestown.

On February 13, 1985 at 6:15 p.m., Police Officers observed a motor vehicle being operated at a high rate of speed on Terminal Street. The vehicle was pulled over, at which time, the officers observed that the operator was glassy-eyed, and had a strong odor of alcohol on his breath. The suspect was placed under arrest for operating under the influence. At this time, the officers ran a computer check on the passenger of the vehicle. The check revealed that this man had a warrant from the State Police, issued from Cambridge District Court. This suspect was placed

under arrest on the warrant. Both men, ages 24 and 27, were identified as residents of Charlestown, and taken to Area A to be booked.

On February 14, 1985 at 6:35 p.m., Police Officers responded to 16 Cordis Street on a radio call relative to a motor vehicle being broken into by a male suspect. On arrival, the officers observed a motor vehicle with the right door open. The officers also observed a man hiding in a doorway at this location. Upon being observed, the suspect fled toward Main Street with the officers in pursuit. The suspect was apprehended in the City Square area. This suspect, age 17, of Charlestown, was conveyed to Area A, where he was booked for breaking and entering a motor vehicle, and possession of burglarious tools.

On February 15, 1985 at 3:00 a.m., Police Officers observed a motor vehicle being operated at a high rate of speed on Cambridge Street. A number of people who were crossing the street, were forced to run from the vehicle's path in order to avoid injury, since the vehicle did not slow its speed. The officers pursued the vehicle into Somerville, where it was forced to a stop. At this time, the operator exited the vehicle and was observed to be unsteady on his feet, with a strong odor of alcohol on his breath. The suspect was placed under arrest, transported to Area A, and booked. The suspect, a 33 year old Somerville man, was issued citations for operating under the influence of alcohol, speeding, operating without a license, driving to endanger, and failing to yield for pedestrians in a cross-walk.

The next Community Service Meeting will be on Tuesday, March 12, 1985 at 7:00 p.m. The meeting will be held at the Kent School, 50 Bunker Hill Street.

A New Little Townie

A new "Little Townie" made her debut at Brigham and Women's Hospital on January 19, 1985 at 2:45 a.m. She is McKenzie Elizabeth Ridings, daughter of Mr. and Mrs. Ronald Ridings and sister of Sean and Scott Ridings, all of Charlestown. McKenzie weighed seven pounds, seven ounces and was 20 1/2 inches long.

The paternal grandparents were the late Al and Elizabeth Ridings.

The maternal grandparents are Mr. and Mrs. Eugene Sullivan of Dunstable Street, Charlestown.

It's A Girl

Mr. and Mrs. Robert Hoell of 60 Sullivan Street, Charlestown announce the birth of their daughter, Colleen Marie, on February 13, 1985 at the Malden Hospital.

The maternal grandparents are Mr. and Mrs. Robert Urquhart of 66 Decatur Street, Charlestown. The paternal grandparents are Mr. and Mrs. Thomas Hoell of Holbrook.

Mrs. Hoell is the former Bernadette Urquhart.

Boston Police Explorer Post

NEXT MEETING

The next meeting of Explorer Post 1212-15 will be held on Thursday evening, February 28th, at 8:00 p.m. Discussion will include: continuing preparations for the uniforms as well as brainstorming about future trips and activities. New members are always welcome-join us at 55 Bunker Hill Street for a meeting!

FINGERPRINTING

Members and advisors enjoyed an informative visit to Boston Police Area D. A tour was conducted of the records division-including fingerprints, photos, and the booking procedure. The advisors arranged for the members to be held in handcuffs in the lockup cell-temporarily, that is!!

UNIFORMS

Plans are continuing for outfitting the members with appropriate and approved uniforms. For more information, please come to the next meeting.

SURPRISE PARTY

Through the generosity of an advisor, all were treated to a surprise Valentine's Day party. This is representative of the good spirit being formed within the Explorer Community. Before the cake and soda had been finished, everyone was wondering when the next surprise party would be. St. Patrick's Day, perhaps??

See you on Thursday evening at 8:00 p.m.
