

HI! READY TO GET YOUR VIRTUAL TATTOO?

1. Print

Print page 2 in A4 without changing the scaling. Colour printing is optional.

3. Wear the bracelet

Secure the bracelet on your left wrist by slotting the slits into each other. Make sure the design sits on top of your wrist.

2. Cut the bracelet

Cut out the bracelet below following the dotted lines. Try wrapping it around your left wrist to find the best fit then make slits in the bracelet based on the guides.

4. Using AR

Head back to the game's level selection and press the hand symbol with "AR" on it. Focus on the bracelet design in your camera view and the tattoo should come out.
