To the Township Committee Members, Lakewood Police Department, Township Manager, and Rabbi Aaron Kotler:

We have seen many accidents occur at the intersection of 9<sup>th</sup> St and Lexington Ave. The township installed a four way stop sign on the corner of Monmouth Ave and 9<sup>th</sup> St which drastically reduced the number of accidents.

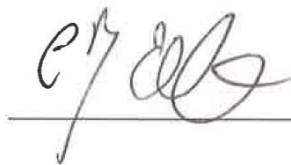

We kindly request you do the same for the intersection of 9<sup>th</sup> St and Lexington Ave. It is one of the main routes to Bais Shalom and has heavy traffic and accidents occurring there on a weekly basis.

Thank you in advance,

~~and to disallow parking in front of 801 Lexington it completely blocks visibility from 9<sup>th</sup> St and 9<sup>th</sup> St.~~  
We kindly request you do the same for the intersection of 9<sup>th</sup> St and Lexington Ave. It is one of the main routes to Bais Shalom and has heavy traffic and accidents occurring there on a weekly basis.
