

## What to Pack?

### All Inclusive Fishing Package List

Now that you're all booked up, its time to get packed up. Here is list of things to bring with you:

- Windbreaker/Rain Coat
- Layered clothing, you never know what to expect weather wise, by dressing in layers you can stay warm in the cooler mornings, and strip down once the sun starts to beat down on us.
- Sturdy shoes
- Sunglasses
- Camera
- Sunscreen + bug spray
- Toiletries
- Prescription medication
- Beer and spirits for fishing
- Fishing licenses – must be purchased online prior to your trip

If you require any last minute supplies we recommend stocking up in Campbell River. We recommend a stop at the Sayward Gas Station to fill up on fuel. There is one more gas station in Woss as well. Don't forget to fuel up!

Feel free to contact us should you have any questions prior to your trip.

See you soon!
