Second Email Address:

Name of the initiative:

Starting date of the initiative:

Please provide your answers to the following questions concisely, using a maximum of **250 words** and a minimum of **50 words** per question.

Background information on the situation

Use in your answer the following elements: Are you acting in a fragile setting, in a post-conflict area, in a conflict area? Please explain and give some concrete information about since when this is the case and how big the impact is. How large is your territory and is the entire territory affected? How? What is the impact on your daily work as a local government?

Describe the aims of the initiative – *contribution of the initiative to an ethic of and practical steps for human security, promotion of democratic values, human rights and peace*

Why did you set up an initiative and with what aim?

Give a short description of the initiative – *Innovation and creativity*

*Use in your answer the following elements:
How many people are targeted through the initiative?
What are the activities?
Since when and until when will/has this run?
How is this initiative funded?*

Describe the results, impact and the effectiveness of the initiative.

UCLG PEACE PRIZE

With the contributions of the Provincial Council of Barcelona, the Province of Gipuzkoa, the City of Tromsø, PAX and VNG International

Did you achieve your goals? How did it contribute to peace, conflict resolution, stability and conflict prevention in the area? Please elaborate. Were there any positive side effects?

How committed was the entire municipality? How were (groups of) citizens and/or civil society involved in the initiative?

Describe the biggest challenges you had to overcome. What expected and unexpected difficulties did you encounter along the way? How did you overcome these? – *Difficulty, complexity or danger of the situation*

In what way do you think your initiative can serve as an example for other municipalities that are facing similar challenges in fragile settings? What is the *replicability or learning potential*?

Is there, or will there be, any follow-up action on the initiative? How will the initiative have a continuing effect on the municipality? Please describe the *sustainability of the action*.
