Sustanon 250 30/60/60/100mg/1ml - 1ml Injection (Testosterone Enanthate) drug information. Find its price or cost, dose, when to use, how to use, side effects Storage Conditions for Sustanon 250. Testosterone Enanthate injection, USP should be stored at controlled room temperature 20°C to 25°C. Typical Pricing of Sustanon. Sustanon 250 is a very popular Testosterone product, and being as popular as Testosterone is, there exists very few price differences between source types. Those looking to buy Sustanon 250 can locate vendors both in-person 'gym sources', as well as the internet. Now what ultimately are we training with this move. We are isolating flexion (cat) and extension (cow) of the spine. This is important, as due to order of operations, if we don't have control and strength in flexion and extension of our spine, we will be unable to isolate rotation and side bending in our spine
