TNS & Nude

TNS began in the early 1980s as what Maybe estranged---sister to the elderly and larger American Sunbathing Association (now AANR). In its first decade nevertheless, TNS developed to take the leading role in America on the problem of nudity on public Acreages. As AANR and TNS enter the year 2009, both recognize that they and other naturist organizations have to work together if they are to continue to grow and be successful.

TNS has, from the first years, sought out opportunities to work with other likeminded groups. The attempts to form inter-organizational coalitions like the Naturist/Fkk Direction Council are an example. TNS has also, when the
