ABOUT

At Fabemza B.V, we believe in the power of brands.

We use our lookbooks to highlight our new collections through a different and creative angle.

Each brand has its own identity and community. In this lookbook, you can discover our three brands; Magna Fashion, Zeffa and Maelle in their specific ambiances.

Magna Fashion, launched in 2000 has its very own style; classic with a wide choice of prints. Maelle, on the other hand, follows the latest trends to offer fresh and modern looks. Zeffa, the third brand of Fabemza B.V., presents a chic and elegant style in dark simplistic colors.
