## Bottled up

Well uh, hi, this will be my first story in this account, I do hold some former experience writing fanfic's in this site, just on a different account, but it was like 2 unfinished stories and they were in Spanish, meaning this will be my first fic in english, so I apologize for any grammatical errors that might have evaded my eye (Not anymore :')l)

This fanfic will contain adult themes, violence, and explicit sexual content, so viewer discretion is advised.

Anyway, this story will start after the events of chapter 7 volume 9, and it was inspired by a nsfw mini comic on tweeter done by Hispanic Maniac, hope y'all like this little story.

---

Ruby ran off in the distance, crying and panting over the events that transpired over her life, reflecting on her actions mere minutes ago, after

exploding in front of her friends, she wasn't in the right place of mind, she knew she wasn't, but she just couldn't handle it anymore, for too long she had kept everything bottled up, for the sake of them, she had to, everyone looked up to her, everyone always followed her lead, everyone just placed their lives on her plate, and she couldn't handle it.

Those plans to save the world, those lives, an entire kingdom, gone, because of her. *'What about you?! It's all about you!'* Those hurtful words lingered in her mind on repeat, like a broken recorder that got louder and louder and louder. Why? Why did they place all the responsibility on her? She hated it, she couldn't show weakness like the others, she couldn't just cry until her eyes gave out, she couldn't have a normal relationship, she couldn't even sleep well. She was so jealous of everyone that could, because the minute that she had broken down, the second she would have shown weakness, everyone would have followed suit... but even that wasn't enough, wasn't it?

Ruby started slowing down to catch her breath, she fell to her knees, and just collapsed onto the paper ground, crying and sobbing like she never had before, she felt weak, pathetic, and useless.

“Ruby?” She stopped for just a moment, upon hearing the voice of the little talking mouse that stood over her shoulder.

“Are you ok? Why did you yell at your friends like that?”

“Why are you still here, Little?” She asked not even looking the mouse in the eyes.

“I promised I would help you get back home.”

“I promised a lot of things too” she remarked ‘And just look at how well I kept them’ she gently placed little on the ground and then proceeded to get back up to her feet. “Go away Little, you’re better off on your own.”

“B-But Ruby, your frie—”

“GO AWAY!” The poor little mouse was taken aback, frightened by her tone. “If you keep following me, you’ll just end up dead.” A part of Ruby’s heart died upon letting those words out, she liked Little too much to let her get hurt because of her. Ruby started walking in no particular direction as she left her small companion behind. Little looked worried for her human friend, and with one last look she started running in the opposite direction.

‘This was for the best.’ Ruby thought to herself, as she hugged her arms and more tears started rolling out of her eyes.

---

Nightfall came quickly, Ruby had wandered around in that paper made land until her legs finally gave out, she felt exhausted and empty, looking upon the young night sky, she decided that the place she was at right now would have to be her temporary camp for the night. Gathering up sticks, leaf’s, and some dust from crescent rose she managed to create a rudimentary campfire, keeping her warm and giving her a source of light, she sat down next to the fire, legs close to her chest, as she watched the embers float away and disappear. No thoughts ran around her head at that moment, just emptiness, she no longer wished to relive those memories, she was just tired of it all.

She heard the crackling of the fire throughout the night, invading her senses, until fire wasn’t the only sound she heard, she quickly came back to her senses and looked around the pitch black forest, identifying the sound as steps, really fast steps. Her mind went on panic mode, as she grabbed her weapon instinctively, it couldn’t be one of Neo’s

Jabberwocky's, so soon again felt impossible, she just couldn't believe it, how could she have found her in the middle of nowhere?!

Her hands started shaking uncontrollably, her breathing was exasperated, her eyes only looked on to the direction of the sound, waiting for that monster to come for her, until finally, the light of the fire gave form to the sound, as a familiar jackalope made its way onto her camp, with Jaune riding atop it.

“Oh, it's just you.” Ruby said, almost disappointed, as she lowered crescent rose down and stored it away.

“Yeah, just me.” said the rusted knight as he climbed down Juniper, having no apparent emotion on his face.

“How did you even find me?”

“Little.” Of course, that mouse was too kind and stubborn for her own good, she should have guessed. “Also, the fire... Ruby, you need to come back, the girls are worried about you.”

“Not worried enough to come here themselves apparently.”

“Are you kidding me right now? We’ve spent hours looking for you, I had to force them to rest just so that they wouldn’t collapse from exhaustion.” Jaune approached her at a calm pace. “I promised them that I would find you.”

“Just stop already Jaune.” Ruby said while resuming her place at the fire. “Like you’d care after what I said, you are doing this for them, not for me.”

“No, you stop.” Ruby glanced back at Jaune. “Me this, me that, listen, I get it, you’re stressed, we all are, but that doesn’t mean you get to make this all about yourself, there are important things at stake, and we need you.” Oh that’s it.

“Then when will it be!?” She angrily shouted, standing up to face Jaune. “I’ve had to deal with everyone’s problems! I’ve had to keep a smile for so damn long! I’ve had to maintain composure when everything went to shit! But when I have issues, they suddenly don’t matter?! Screw you!”

“Well maybe if you weren’t such a bitch about it, we’d actually care to listen, but you just had to let it out on all of us! I was mourning the loss of those I tried to protect! And you spat on them with your words!!!” Jaune retorted back with the same intensity as her. “You didn’t give a shit about them,

you didn't give a shit about your team either! What makes you so special huh!?"

"Oh big talk coming from the one who was too blind to notice that he was protecting a lost cause! Your fucking ego to be the big strong hero overlapped with the Paperpleasers needs! You didn't think about them either! They wanted to ascend, honestly I'm glad they finally got what they wanted! And before you spat out something else, don't forget, you also placed the blame of their dead's on me! I wasn't responsible! You brought me here despite knowing Neo was after me! YOU DON'T GET TO PLACE THE BLAME ON ME!!!"

"And just because of that you had to make less of them!? You heartless jerk! You haven't had to experience losing everyone you love right in front of you over and over again!!!"

"What do you know about loss?! I was there when Pyrrha died! I was there when Penny died the first time! I was there when Yang fell and I thought I'd never see her again! I lost my home, I didn't even get to say goodbye to my mother before she was taken from me!!!"

"YOU WEREN'T FORCED TO CHOOSE!!!"  
Jaune finally snapped. 'I was there on that bridge

against Cinder along with Weiss and Penny!’ Jaune knew that after saying this there would be a point of no return, but he didn’t care anymore. “When Cinder came, she forced me to take a choice, she wounded Penny, she was about to kill Weiss, I believed I had lost all of you!” Tears started rolling down his face as his voice almost spat venom out. “I was the only one there with Penny, I didn’t have enough time to heal her wounds, I was supposed to save her, and you wanna know what she asked me to do instead?”

Ruby’s eyes started to widen as she took a step back, he couldn’t, he wouldn’t have dared to do it... right?

“She asked me to kill her, Ruby.” Ruby felt the world stop in that very second, she couldn’t feel her heartbeat anymore, she could only stare at the one who murdered her friend. “Do you have any idea of how It feels? To take the life away of someone close to you? to be responsible for her fate? I’ve had to live with that. Every. Fucking. Second. I’ve spent in the Everafter. I failed her, I failed everyone I wished to protect... so you don’t talk to me about loss.”

Ruby slapped Jaune across the face with all of the strength she could muster, tears rolling down her face. But Jaune didn’t even react.

“You think that hurt?” Ruby just felt more pissed. ‘Go ahead, this is nothing compared to what I’ve endured every day since I took her life.’ Ruby didn’t even wait a second, tackling him down to the ground and raining down a barrage of punches across Jaune’s face. “You fucking murderer!!!” She continued her attack while Jaune just stayed there and took it, not even bothering to protect himself or even activate his aura to block the punches.

“Give her back to me!”

“Give her back!”

“GIVE.”

“HER.”

“BACK!!!”

With one final blow she stopped to control her frantic breathing, lifting both of her fists from Jaune’s face, she looked at the bloody mess she had made out of him, slowly raising her hands as they were stained by Jaune’s blood. Jaune’s nose was bleeding profusely, his lip was cut, he had purple marks all over his face, and a deep cut above his right eye gushed with blood. But even with all that, he was still conscious, albeit barely, his face still

retained that look on Ruby's face, as if he actually didn't feel anything at all.

Ruby was breathing uncontrollably and shaking all over. She looked at Jaune and then at her own two hands, drenched with that warm crimson liquid, what had she done? Ruby started crying once more, clenching her fists until her nails broke the skin of her palms, she brought them close to her heart and placed her head atop Jaune's chest as she silently cried and shivered. She had really done it now hadn't she? She actually harmed her best friend. What was wrong with her? Why did everything she did ended up harming the people she cared the most about? Why? Why? Why?!

A familiar touch brought Ruby back from her train of thought, as the arms of Jaune wrapped around her back in a firm yet gentle hug, Ruby lifted her head enough to see Jaune's blank stare into the night sky. He was out cold.

"... oh Jaune, I'm sorry, I'm sorry, I'm so sorry." Ruby slowly buried her face once more on his chest, embracing her closest friend while drip's of tears and blood rolled down his rusted armor.

The rusted knight and the Reaper stayed huddled up to one another, accompanied by the ambience of

the fire, and the careful stare of Juniper.

---

Jaune woke up some time later in the night, he no longer felt any pain whatsoever, as his aura had worked wonders to heal his wounds and bruises. He reached his head with his right hand only to notice 3 things. One, even though his aura had healed him up, it still had some work left to do, as he could still feel scabs and a bit of residual pain to touch. Two, he had a blanket-like object covering him up. And three, his hand was missing his armor glove, matter of fact, so did his arm, chest, torso, did he not have his armor on?

Jaune raised up from the position he was in, looking down he saw Ruby's red hood acting as a makeshift blanket, removing it, he confirmed that he indeed had no armor on, only the black clothing he used beneath it. To his left side he saw his trusty Jackalope, Juniper, sleeping soundly, along with his armor, weapon, and boots, so at least he knew where his things were. And looking by the campfire, was the Reaper, she was sat down in a fetal-like position, making sure that the flame wouldn't die out.

“Ruby?” He asked while standing up.

“...Hey Jaune.” She didn’t dare to look him in the eye, not after what she did.

“How long was I out?”

“An hour or two, give or take.”

An awkward silence followed suit, as both of them just stayed there, silently, not daring to speak of what had transpired.

“... Rub’s are... are you—”

“I’m sorry.” Jaune was taken aback for a moment “I... I’ve been a terrible friend, to you, to all of you.”

Jaune started to slowly approach Ruby and sat right beside her, he noticed that she was actively avoiding his gaze. “Ruby, come on, don’t say that.”

“But it’s true, I had all this pent up emotions, I just wanted to let it all out.” Ruby continued while averting her gaze from Jaune even further. “I said awful things to all of you, I enjoyed doing so, I knew they were hurtful, but I did it anyway.”

Jaune tried placing a hand on her shoulder, but she reacted by moving away, avoiding him like if she had the plague. “Ruby...”

“I physically assaulted you, I-I... there’s something wrong with me... why do you guys still think I’m cut out to lead every—” she jumped in surprise after feeling the arms of Jaune wrapped around her once more, this time with more force than before.

“No Jaune! Don’t!” She desperately tried to break free “Let go! I don’t deserve this!”

“Ruby, look at me.”

“I don’t deserve your forgiveness!”

“Ruby.”

“Jaune please!”

“Ruby!”

Jaune forced Ruby’s whole body to turn around, grabbing her by the arms, fighting to maintain his grip on Ruby who thrashed like a captured rabbit.

Jaune stared at her with a hurt expression, he tried to place his thoughts into words but he couldn’t find any appropriate thing to say. Ruby on the other hand was still trying desperately to escape Jaune’s grasp on her arms, he was strong, too strong. All she could do now was stare at Jaune’s face, the same face that she mercilessly beat up not long ago,

expecting him to say something to her, and the wait was killing her.

“For the brothers sake Jaune, don’t just stare, say something!”

He didn’t respond.

“Please! Say something! Anything! Say that you hate me! That I’m a bad person! Hit me if you need to! Anything! But for the love of the gods, don’t just forgive me like this!”

Jaune brought her close to him on another hug, Ruby tried fighting for a moment but slowly stopped struggling, as she started letting it all out onto Jaune’s shoulder, and returning the hug. “(Sob) I don’t deserve this... please, don’t do this to me.”

“Ruby...” Jaune separated her and himself just enough so that he could see her face, covered up in tears, her cheeks were all red, and her silver eyes were puffy and red do to all her emotions exploding in such a short amount of time. He carefully cleaned her face with his hand, gently wiping the tears away and caressing her cheek with care and affection. Ruby slowly started to calm down by Jaune’s gentle touch, loosing herself to it, it had been so long sense she had felt this calm and warm before, she missed

being the one taken care of. She was taken aback to the times Yang would gently stroke her hair while laying on her thighs, she used to feel so secure, happy, relaxed. Ruby's head started leaning towards Jaune's hand, resting her weight upon it. 'I don't hate you Rub's, I mean, sure, I was mad at you for what you said, you hurt my feelings.' Ruby stared into Jaune's sapphire blue eyes, feeling guilty for her actions from before. "But I don't hate you. I said mean things to you as well. After all this years alone I wasn't in the right set of mind, I knew that, but that doesn't excuse me for lashing out like that either" Jaune's eyes wondered towards the fire, recalling the awful things he said to her, remembering her expression of pain as if it was burned through his cornea. "We both have been through a lot... Why did you stay quiet? Why didn't you asked for help? You know you can count on us Rub's." Ruby could only look at the ground. "I never thought I could... with everything going on at the time, I felt as if I wasn't allowed to show weakness."

The both of them separated from the hug and sat side by side near the campfire. "Everybody counted on me to lead the way, to make the correct decision, to stay positive in the face of adversity. That kinda

pressure can be... suffocating. I'm... I'm sorry, for lashing out, with all of you, specially you."

"And Im sorry for yelling at you as well, and... for failing." Ruby knew exactly what he was trying say. She still felt sad about it, but knew better.

"Don't... blame yourself, what happened to Penny, it wasn't your fault."

"But what If I could have done something? I didn't try hard enough, I was supposed to—"

"Stop torturing yourself!" Jaune was taken aback by Ruby's sudden lash, and by her hugging his arm and embedding her face into it.

"Look, I'm sad that she's gone, but I can make peace with that, she went down on her own terms, I'll miss her, but I'll overcome it eventually." Jaune didn't know how to react, he was about to speak when Ruby spoke again. "But you, you've spent who knows how many years trapped in this place, reliving those same memories for this long. You're the kindest and bravest person I know, you've never been afraid to step up and fight for what you believed was right, so I know you fought tooth and nail to save her. The fact that she died isn't you're fault at all, I understand that now. So stop kicking

yourself down like this, I won't allow it." Jaune was speechless, he wanted to believe her, but doubt still lingered on his mind, he had lost count of how many years he had stayed there, thinking on what he could have done better, he didn't know if it was ok to believe that.

"Ruby I—"

"It wasn't your fault!" She held on tighter to his arm, pressing her chest into it and tensing her body, lifting up her head with a determined look.

"Ruby!"

"Its ok to move on Jaune!"

"No Ruby I—"

"I forgive you!"

"RUBY! MY HAND!" Ruby stopped dead on her track's for a moment, she was confused. Jaune on the other hand was trying his best to not make eye contact or even move, and he looked kinda embarrassed. 'Y-You're pressing on my hand a little to hard and uh, it's kinda trapped in between your thighs right about now.' Ruby immediately noticed once he said that, and let go of his arm in that very instant. "I-I'm sorry!"

An awkward silence formed between the two, the sound of the campfire that was once calm and soothing was now loud and deafening, neither of them dared to speak a word or even look at each other. '... What the hell just happened?' Ruby thought to herself, a minute ago they were speaking about a very serious subject and the next she accidentally trapped Jaune's hand between her thighs, to say she was embarrassed was an understatement. How did it even happen? How did she not feel Jaune's hand was that close to her private area? How... How much did Jaune feel? Ruby slowly turned her head to look at Jaune who was still looking in the opposite direction, he looked really flustered and had his face glowing a subtle taint of red, Ruby then looked down and gasped as she saw the bulge in his pants. Upon hearing the sudden gasp it was as if Jaune had just been struck by a bolt of lightning, he immediately stood up straight and proceeded to walk a few steps in the opposite direction, facing the pitch black forest in front of him. "I uh— Im sorry." he immediately blurted it out as if it was a defense mechanism.

Ruby's face was burning up, that had been the most awkward thing that had happened to her in a long time, this felt like reliving the first day at

beacon all over again, only this time it was worse... huh, it almost felt nostalgic in a weird way. Ruby's mind wondered back to the good old days when Jaune and her just goofed around and had actual fun, the two being equally socially awkward, she actually missed that... maybe she could do the best out of an awkward situation, she had a slight idea to lighten the mood, all be it probably a bad one, but for old time's sake, after all, what could go wrong?

"...So uh, didn't took you for the perverted type, eh Jaune?" She definitely saw him wince with that once sentence alone.

"NO IM NOT!" He turned his head with a mixture of annoyance and and embarrassment. "Look it's just been a long time sense I uh, you know, had any interaction with a girl in that way what so ever, i-it took me off guard..." Well, at least he responded, that was a good thing, right?

"Haha, relax relax, I'm joking, I know it was an accident, I'm not mad at you or anything." Ruby fidgeted with her fingers, face still burning, she could see Jaune starting to relax a little, so she decided to press on a little more. "But still, was feeling my thighs really all it took? If I didn't know you any better, I'd say you even enjoyed it."

Whatever progress she had made, it went down the drain, as Jaune tensed up once more.

“You had my hand pressed near your crotch! What did you expect?! It just happened too abruptly! Besides, It’s not like I would feel actual arousal towards you of all people anyway.”

“... Hold on, what the hell is that supposed to mean?!” Ruby actually did get a little offended at that comment, until something clicked in her head. “Ohhh I get it Mr. Grown adult, you still view me as a child, don’t you?” She stood up and crossed her arms in disappointment. “So what? I’m old enough to lead you guy’s into a war with an immortal witch, but apparently too young to be viewed as an adult? Is that what this is?!”

“Ruby for god’s sake I’m in my possible 40’s of course I view you as a child!”

“I’m almost a 20 year old woman!”

“POSSIBLE 40’s! And I call bullshit, you just turned 19 a couple of months ago.”

“Still count’s as being an adult!”

“BEARLY!!!” They both went on this back and forward for some time, waking up Juniper who just

stared at them with confusion.

“Ruby you are missing the point!”

“I bet you wouldn’t say the same about Yang and the others!”

“I— that’s not—”

“You just hesitated!!!”

“Still doesn’t change anything! Like I’d be attracted by a little brat like you.”

“Who are you calling a brat you rusty old fart?!”

“To the ONLY one that’s right in front of me! You toddler!”

“Senile jerk!”

“Overgrown kindergartner!”

“Fuck you!”

“Fuck YOU!”

“FUCK YOU!”

“FUCK YOU!!!”

“...”

“...”

The both of them were standing near inches of each other, staring at one another in the eye as if waiting for the other to blink. Suddenly Ruby used her semblance to tackle Jaune into the ground, who fell with a loud thud. “Ow! What the hell is wrong with—” Ruby who was pinning his chest down suddenly and abruptly proceeded to take off her shirt along with her bra, showing her tits to Jaune with a pissed off look on her face. “... you.”

“Still think I’m a brat, old man?” She could see him staring her down with a surprised look, maybe this was a little embarrassing, but she was god damn tired of being called a kid by everyone.

“Oh please.” He looked away as if he was not even impressed. ‘Only a brat such as yourself would do such a stupid thing to try and convince someone she is a woman, you don’t impress— Ahg! Hey!’ Jaune was taken by surprise as Ruby’s hand grabbed his crotch, fondling with it while still maintaining eye contact. “Ruby!” Jaune shouted annoyed at her boldness.

“I’ll show you I’m not as innocent as you all think I am.” She continued fondling with his crotch until she felt him starting to go hard. ‘Oh well, look at that, Mr. ‘I don’t get attracted to brats’ got

aroused by the touch of one, I bet you feel soooo stupid right now.’ Jaune growled like an animal, loosing his temper “Ok you little bitch, two can play that game.”

Now it was Ruby’s turn to be surprised, as Jaune’s hands grabbed at both of Ruby’s boobs, squeezing them and earning a sudden moan from her. “H-Hey!” She backed away from his grasp, covering both of her boobs with her hands. ‘What? Can’t handle it? Moaning with just one squeeze? Only a brat would back away like that.’ Ruby’s face burned like an oven over the fury she felt now, she was supposed to make Jaune fluster, not the other way around. “Are you ready to call in quits Ruby? I don’t want to escalate the situation any further.”

“Oh I’m just getting STARTED!” She backed away a little further and proceeded to forcefully pull Jaune’s pants down, his erect cock springing upwards, taking Ruby aback for a moment, she didn’t expect it to be this big, she kinda doubted if she was capable of following through. Jaune on the other hand was surprised at first, he didn’t expect Ruby would actually follow up with this, the situation really was escalating out of hand, but then he saw Ruby hesitate. “...h-ha haha, I knew it, you’re to scared to follow through whit this, we

should really stop now tho.” Those words were enough to kick Ruby’s confidence up through the roof, she wasn’t loosing to Jaune of all people, not in a million years, she would make him regret every last word.

“You’re the one who’s scared.” Ruby grabbed Jaune’s cock, earning a grunt from him, and proceeded to move her hand up and down, freezing him in his place. ‘R-Ruby, stop... stop this instant.’ The hand of Ruby was silky smooth, it made Jaune feel incredibly good down there, but he knew this was wrong, he couldn’t allow her to do this. “Damn it Ruby— quit it!” He tried reaching for her hand to force her to stop, but Ruby just picked up the pace, making Jaune tremble and stop dead on his tracks, he grunted uncontrollably, it felt good, too good, he started to panic. Ruby delighted herself seeing Jaune tremble like a worm, she was winning, she was actually winning, but he still showed some resistance. She started lowering her head until she was centimeters away from Jaune’s dick, she could see pre-cum starting to come out, and the smell of his cock was enough to make her mind spiral. She was actually gonna do it, her breathing hit the head of Jaune’s dick, giving him a shiver across his spine, making him look at Ruby and how close her head

was to his junior. “R-Ruby— no!” Ruby slowly moved her face towards the head of Jaune’s dick and gave it a small kiss, making him jerk out in response.

“(Huff) *Ready?~*” She asked with a seductive tone of voice, looking at Jaune with a terrified expression across his face. Ruby opened her mouth and gently stuck his dick on to her mouth, earning a moan from the knight. “R-Ruby— Ahhh!” The taste of Jaune’s cock was unlike anything that Ruby had tasted before, the saltiness was intoxicating, she licked it from the inside of her mouth, causing Jaune to move in ways she had never seen before. She started sucking it like a popsicle, slowly but surely getting a better grasp of the technique, and paying close attention to Jaune’s body language.

This was bad, Jaune didn’t know how to react against Ruby’s relentless attack, every time her head moved, Jaune felt closer and closer to cumming, he should have known, Ruby wasn’t one to back down from a challenge, but he never expected her to be this committed. Jaune’s mind was starting to go blank, the pleasure was too much, it didn’t compare to masturbation in the slightest. Jaune knew that backing away wasn’t an option anymore, even if he admitted defeat, Ruby wouldn’t stop, she was

determined to get her point across. So if he couldn't run away, he would have to fight fire with fire, he gave her a chance before, there was no going back now.

Gathering all the strength he could muster, he grabbed Ruby by the head with both of his hands, taking Ruby by surprise, as she believed Jaune wasn't even able to move. He forcefully shoved his shaft all the way through Ruby's mouth until her lips touched the base, until he felt the tip of his dick reach all the way down her throat. Ruby started coughing uncontrollably, her eyes looking directly at Jaune's with a look of panic as she was fighting desperately to catch a gasp of air. Jaune made sure to keep her head steady, not allowing her to move at all, Ruby's eyes started rolling to the back of her head as she was starting to lose consciousness, he could feel her losing strength by the second, watching her slowly start to go limp, until he decided to let go of her head. Ruby took this opportunity and quickly separated herself from Jaune, coughing and inhaling while she started to gain back her field of view, Jaune pushed her to the ground, forcing Ruby on her back, as she felt as if the little air that she had fought so hard to gain back had left her once again. Trying to grasp a good

chunk of air back into her lungs once more, Ruby didn't realized Jaune standing up and starting to remove the last of his clothes.

“(Cough) (Inhale) A-Are you ins-eheHehEeey!?” Ruby felt Jaune pick her up by the thighs, removing her boots and proceeded to do the same with her leggings, skirt, and lastly, her soaked panties.

“You’ve really screwed up now.”

“H-Huh?!” Ruby watched in horror as Jaune held her exposed crotch above her head, with her legs forcefully spread apart. Ruby could only see Jaune’s sapphire eyes be reflected with the light of the fire, as he intensely stared into her soul.

“I’ve been here alone for an undetermined amount of time, I’ve had no one to interact with for years, and sense my former work as a town hero , I haven’t really had any time for myself, you realize what that means?” Ruby’s eyes widened upon hearing that information, her whole body was trembling with a mixture of fear and anticipation. ‘I’ve passed a long long time not being able to relief myself, I’ve had all this pent up frustration just waiting to be released. Don’t blame me for what happens next.’ Jaune started closing the distance between his face and Ruby’s drenched pussy. “You

did this to yourself, after all.” And with that, Jaune trapped Ruby’s pussy in between his lips, licking and sucking at her as if she was the last ice cream on Remnant, drenching his face and beard with her love juice’s.

Ruby yelled like if she was being murdered by a serial killer, moaning and trying with all of her strength to escape from Jaune’s locked jaws to no avail. “AHHHH!!! Ahhh!!! J-Jaune— Ohhhh GOD!!!” She screamed as she felt Jaune’s teeth play and nibble with her erect clitoris, the sensation was unlike anything she had ever felt before, her whole body felt as if a current of electricity was traveling throughout her system on rapid succession. *‘D-Dear god! He’s— he’s eating me out! He’s sucking my insides ouuuut!!!’* Ruby’s eyes were rolling to the back of her head, tears starting to come out of her eyes, she couldn’t stop the moans, she was sure that the whole Ever After could hear her right about now, hear her moan while being at the complete mercy of Jaune. She arched her back completely, only having her head supporting the weight of her body, her hands worked on separating herself from Jaune’s head, who seemed to be stuck to her like honey, no matter how much she tried, she just couldn’t get him to stop, instead she just got him more and more

excited, slurping and slushing noises were the only thing apart from her own moans that invaded her sense of hearing, she desperately kicked the air with the vain hope's of loosening his grip on her. Jaune's relentless attack was making a mess out of her still virgin pussy, causing her to gush like a fountain, as droplets of her own juice's fell down his beard, landing on the paper ground of the forest, forming a soggy mess underneath.

“L-Leh goo! ei me hoo! em iii goohhoo!!!” She could no longer place her thought's into words, her brain was constantly switching on and off. Jaune was acting like an animal, a rabid animal, she didn't know if he was in there anymore. ‘HINNNNNN!!!’ Ruby squealed as she felt a big wave on its way, she had underestimated Jaune. ‘Nononononono, I can't lose, god, god! OH GOD!!!’ Ruby's leg's forced themselves together as Jaune bit her clit one last time. “*IM COMMIIIIIIIIIIIIING!!!!*” She yelled towards the sky as she felt her juices leave her in a jet-stream-like fashion, convulsing uncontrollably as her mind and vision went blank for several seconds.

Despite Jaune having let go some time after, Ruby's legs were still holding on tight to his head, until finally, they gave out, and Ruby's limp body fell on to the ground. Her body felt weak, she could

still feel light convulsions as her mind slowly returned. 'Did... did I-HINNNNN!!! "She jerked back as she felt something entering her pussy and moving at high speeds." Ahhhhh!!! Ahhhhh!!! W-Wait! Jaune! P-Please!Wait a socond! I just caaaame!!! "Ruby weakly tried to stop Jaune's fingers from moving any further, failing as she could feel him find her G-spot and strike, her pussy twitched uncontrollably, as her body still felt the after effects of her last orgasm still lingering. The pleasure she felt was heavenly, she didn't know being fingered by someone other than herself could feel this good, Jaune's fingers were dangerous, they reached all the spots that she herself never dared to explore before, if she didn't do anything soon, she would get addicted to the sensation." P-please Jaune — Ahhh! M-Make it stoohop! It feels too good! Ahhhahhh!!!"

"I told you, didn't I?" Jaune spoke for the first time sense he started playing with her body, using his other hand to push down at Ruby's abdomen were her uterus resided, causing her to arch back and lose consciousness for a brief second, as the pleasure of being fingered suddenly doubled. 'I haven't been able to relief myself in ages, I tried stopping this, but you insisted on showing me that you were a fleshed

out woman, I'm simply playing along.' Ruby's eyes fought to stay concentrated on him, she was starting to feel it again, that overwhelming sensation, she could feel it getting closer and closer by the second. *"And I'm planning to release All of that frustration with this body of yours~"* he whispered as he lowered down towards her ear, gently nibbling it, causing her to lose her mind.

Her moans were music to Jaune's ears, they were the most beautiful thing he had heard in ages, her cute voice, her desperation, her taste, he loved all of it, he loved making her feel good, and doing so he would, but before that, he wanted to see how much Ruby would be able to hold on to her sanity, Jaune would have fun watching her break.

Ruby's mind was running circles around her, Jaune was pushing all of her buttons like if he already knew what made her tick, she could feel Jaune's breath hit her ear, which was being played with and tortured, the hairs of his beard and mustache graced the side of her face and neck, tickling her and making her lose her mind even further. Those fingers, those big strong fingers of his, she loved them, they were exploring her walls as they inspected for any and all sensitive spots, no matter how big or small. She felt defenseless, she

didn't feel in control of the situation anymore, and she couldn't help but love it, she didn't know what Jaune was capable of doing next, thinking in all of the possibilities drove her mad. She could feel it now, she was right on the edge, a big one was coming. Ruby prepared herself for the big release. But suddenly, Jaune stopped, he took out his drenched fingers and looked at Ruby, as a mixture of surprise and confusion was written down on her face like a book.

'W-What?' She thought to herself as she quickly felt all the pleasure she was building up suddenly fade away, it was annoying, she was so close too, maybe Jaune had miscalculated? She turned her head to look at him as if expecting an answer, but she could only see that big dumb grin of his. She was about to speak up when Jaune moved again all of a sudden, placing her in front of him as she faced out to the opposite direction, he forced her legs apart once more using his own, with his left arm he captured Ruby's neck, forcing her to arch back and gasp for air, her hands went up too grab at his arm, trying her best to move him just so that she could breath normally again, as she was being choked by him, and with his right hand he started fingering Ruby once more, only this time more intensely than

the last time. ‘Ohhh! Oh dear God! Yes! YES! YES!!!’ Ruby thought to herself as she desperately grabbed at the arm choking the lights out of her, this was way more potent than before, her body wanted to moan, but Jaune’s hold on her neck made her gargle and grunt instead. She could feel everything, the breathing of Jaune down her neck, his sweaty muscular chest making pressure on her back, his strong biceps rubbing her unprotected sweat-drenched skin, his fingers viciously entering and exiting her pussy, and his still erect penis poking and rubbing against her back.

She started to fantasize with it, that big hot rod was burning up her skin and making her blood boil, she still remembered how it felt inside of her mouth, right down to her throat, the size, the girth. If Jaune were to penetrate her, she would brake underneath the pleasure, she wanted it, she wanted to cum with it. She could feel that bubbling sensation once more, this time she was sure she would climax, she anticipated breaking down do to the sheer power of it, just a little more, she was right there, she began to tense up, and then, Jaune stopped again. Ruby’s eyes widened as she felt Jaune’s hand exit her once more, she tried reaching down in the hopes of maintain her

levels of pleasure, but Jaune's arms instantly trapped her's in a full Nelson, immobilizing her.

“NononoNOOOHOO!!!” Ruby wriggled in her place, moving her crotch up and down. Jaune was doing this on purpose, he was preventing her from experiencing the sweet release, she wanted too cum, she was being forced to experience that awful sensation of not being able to gain the ultimate pleasure. She felt Jaune's grasp on her getting lose for a second, and she immediately set herself free, falling face first into the ground and having her ass facing upwards, her fingers entered her pussy and she started satisfying herself in the hopes of regaining the pace she had lost, but it was to late, even if she made herself cum now it wouldn't be the same. Ruby felt humiliated, she was being a source of entertainment for Jaune, he had already made her orgasm once, and he made her feel as if she was falling apart, he knew he made her feel good, and actively made sure to deny the same pleasure she had been forced to experience before.

Jaune's hands forced their way into her's, removing them from her private areas and placing them behind Ruby's back, pinning her to the ground. Ruby was scared, she couldn't move anymore, her ass and pussy were defenseless towards Jaune once

more. ‘He’s gonna continue like this.’ She thought to herself, as she felt a smack in her right butt cheek, earning a yelp from her as she could only anticipate what was about to come. ‘He won’t let me cum.’ Ruby felt Jaune’s fingers enter one more time inside of her sensitive pussy. ‘I’m going to break!’ Jaune’s finger’s moved once more, torturing her. Ruby moaned and yelled in exasperation, tears rolling down and feet kicking the ground.

---

“Ahhhh! Ahhh! Ahhhh! L-Let me cum! Let me CUUUHUUM!!!” Jaune held her pinned to a tree, holding her hands above her head, vigorously attacking her G-spot with military-like tactics, her leg’s were shaking uncontrollably from exhaustion as Jaune’s fingers went rampant on her, she had been denied for so long it became painful every time he stopped. Ruby was drooling from her mouth, as her eyes cried and rolled to the back of her head, she never knew such horrific ways of torture even existed. She had lost count of how many times Jaune denied her the pleasure of orgasm in the last hour alone, had it been an hour? How much time had past? Ruby had completely lost her sense of time. She had to think of something, anything, she needed

to escape Jaune's grasp, but all she could think about was wanting to cum, she had to, she needed to, if she didn't, she would lose her mind. Jaune's fingers exited her body once more, as Ruby cried and begged, moving her hips towards his hand, she needed it, her mind couldn't take it anymore, she didn't care how it happened, she just wanted it so badly. "(Sobbing) Why Jaune? WHY?!" Jaune looked at Ruby's body the same way an artist would to their work, he had made a masterpiece out of her. Jaune let her hands go, as she collapsed to the ground, no longer holding any strength to pick herself back up.

Jaune sat on the ground in front of her, catching his breath as he saw her jitter and wriggle in the ground, her eyes tired and defeated, perhaps he had been a little too rough on her, he let himself go maybe a bit too much.

"J-Jaune." He was brought back into attention as he saw Ruby looking at him with those big sad silver orbs of her's. 'P-Please... it hurts Jaune (sob) I want it so bad, I want to cum, I beg you!' She weakly spread her legs apart and with her own hands opened up the entrance to her pussy, all drenched and twitchy from Jaune's relentless attack. "You've teased me so much (sob) I can't wait any longer..."

Jaune started to feel bad for her, begging and crying didn't suit Ruby in the slightest, it had been fun at first but now he just felt like a jerk, he would do this right. "S-So please, I beg you, TAKE ME ALREADY!!!"

Jaune started crawling towards her, determined to aid the painful feeling he had given her in the first place, as he got closer and closer Ruby began to lie down on the ground, maintaining her entrance open for Jaune and Jaune alone. This was it, she would finally be able to cum, she would have him inside of her, Jaune would take her virginity. As Jaune placed himself on top of Ruby he looked her in the eyes, awaiting for permission, and she welcomed Jaune with open arms, hugging him as she felt his tip touching the entrance of her womanhood.

"You ready Rub's?"

"Please, just stick it in, I can't take it anymore." She said tearing up, as she pulled Jaune's face for a kiss. "You did this to me, take responsibility~" and with that their lips connected, exchanging saliva and losing themselves in the moment. Jaune began slowly pushing his dick inside of Ruby, her moans covered up by his mouth, as he pushed his tongue inside of her, dancing around with hers in a

passionate rhythm. Ruby began to feel Jaune filling her out as he made his way inside of her, it should have hurt, but all she felt was pleasure, she held on harder to Jaune the deeper and deeper he went, it felt like a dream, she felt so happy and full inside. Finally, Jaune had reached the end, kissing the entrance of her womb with the tip of his penis, Ruby jolted as he did so, she felt so tight and warm inside, her walls embracing Jaune in a way that made him want to stay like that forever. The both of them separated their lips, as a string of saliva formed from the tip of their tongue's, Jaune could feel Ruby trembling from pleasure, as her gaze seemed to be fixated in the pure nothingness.

Slowly, Jaune began to move, causing Ruby to snap back to reality as she buried her face on Jaune's shoulder, every time he moved, she could feel pleasure unlike any other, it almost felt rejuvenating in a way, she started feeling the pain and discomfort fade away as it was replaced with pleasure and comfort.

*“Jaune! Jaune! JAUNE! Ahhhhh~”* Ruby's cute moans invaded Jaune's senses, her calling his name in such a loving way drove his mind into places he had never even dreamed about before, he loved them, he wanted to hear her say his name even more.

Jaune began picking up the pace, grunting like an animal as he did so, Ruby's moans grew on louder and louder as her hold on him tightened even further, it almost felt as if Ruby's pussy was pulling him back in, forcing him to stay. "*J-Jaune— Ahhahhh!!!*" Ruby screamed in a mixture of shock and surprise as she felt him bite and suck on her neck, giving her a hickey. The taste of her sweaty silk-like skin was addicting, and her cute reactions every time he licked or bitted her were adorable, up until now, Jaune had never realized how cute and sexy Ruby looked. Maybe it was the hormones talking, but he had really been blind to her natural beauty, she had nothing to envy other girls like Weiss, Yang, or Blake, and he had her all to him self.

*"R-Ruby!"*

*"Jaune!"*

The both of them kissed, exploring one another's mouth's with their tongues. Ruby's moans loudened under Jaune's breath as he speed up once more, pressing his entire body weight onto her. Ruby's eye's went backwards as she dug her nails into Jaune's back. With every thrust, she felt as if the entrance of her womb would brake, with every

movement, a tidal wave of pleasure hit her brain, and with every time Jaune's tongue played with her body, she fell in a deep ecstasy. Their lips separated once more, as Ruby's loud moans went out on full capacity into the night sky, limited only by the level of her voice.

Jaune felt in the verge of cumming, Ruby's body felt amazing, Jaune started to slow down the pace to try and exit Ruby's body before he could get her pregnant, only to be stopped of doing so by Ruby's legs, holding on to his back with strength unlike before. Jaune's body stiffened realizing the situation he was in, he looked at Ruby only to see a face completely full of lust and desire. "*Y-You're about to cum, right?*" Ruby asked Jaune with a voice that only spelled danger, her silver eyes starting to weakly glow as a menacing aura surrounded her. Jaune would be in trouble if he didn't exit Ruby soon. "*W-Well so am I, how about I help you with that?*"

Ruby rolled Jaune around, allowing her to be on top, as she started moving once more.

"*R-Ruby! wai— Uhggg!!!*" Jaune's head went down to the ground as he felt Ruby speeding up to impossible levels, using her semblance to crank it up

a notch, the pleasure wasn't comparable to anything in this world or the other. Jaune's brain went into panic mode, if he didn't think of anything soon he would end up knocking Ruby up with his seed, Ruby on the other hand, had lost all control of her body as she went up and down on Jaune's cock, drowned by her most primal instincts and pure lust alone.

*“Ahh! Ahh! Ahh! Jaune! I love you! I love you! I love you!”* Ruby screamed like a madwoman, speeding up even more, bringing Jaune to the very edge of the line, as he felt about to explode, and with one final thrust, penetrating Ruby's womb, Jaune could resist no longer, as Ruby went on an explosive orgasm. *“IM CUMMIIIIING!!!”* Jaune's seed bursted like a volcano, filling Ruby up to the brim with his seed. Ruby's whole body was twitching, squeezing every last drop out of him with a face of pure bliss. Suddenly, Ruby began feeling her strength escaping from her body, falling limp to the ground besides Jaune, looking at him with loving eyes, as he gasped and rested on the ground floor. Ruby rolled to her back, placing both her hands in her abdomen, feeling Jaune's load inside of her, she felt so full of it, and happy at the same time.

“S-Sorry Jaune.” She apologized as she regained her breath. “I think I might have gotten a little carried away.”

“Don’t worry Ruby.” Jaune spoke as he turned around to look at her. “I managed to save it on the last second.” This confused Ruby, she was sure she felt him cumming inside of her, in fact, she even felt him right now.

“... uhhh Jaune, you came inside, I’m mean sure, I’m the one to blame but—”

“No, I did, in fact, I would like to thank you for using your semblance earlier, you gave me an idea.” Ruby looked at Jaune as if he was actually senile for a moment, not getting how her semblance would have had anything to do with any of this.

“Here, look”

“What are you talking ab— *Ughhhaaa!!!*” Ruby moaned unexpectedly as Jaune’s middle and index finger pressed at Ruby’s abdomen, passing his aura through them. Ruby felt as if a jolt of electricity suddenly struck her directly in her uterus, as her crimson aura shined around the area of Jaune’s fingers ‘H-Huh!?’

“J-Jaune! What are you— HINNN!!! *W-What is this!?*” Ruby felt a continuous flow of pleasure going through her womb, as the aura of Jaune boosted hers, rejuvenating and making her more sensitive. She didn’t get it, why did Jaune’s aura boost felt that good?

“In the last second, I managed to cover my dick in my own aura, extending it at the exact same time I came.” Jaune stared explained as he slowly moved his fingers down to her entrance. “I managed to create an aura bubble to encapsulate my load, you wouldn’t believe how long it took me to learn a trick like that with my semblance, tho this is the first time I’ve ever done it like this.” Ruby’s hands desperately tried stopping Jaune’s fingers from moving any further, she could feel the aura encapsulated semen starting to open the entrance of her womb from the inside, boosting the aura around it and making it more sensitive.

“Ahh! AHH! Jaune wait! I just came! T-This is to int— OHHHOHOHHH!!!” Ruby’s leg’s we’re violently shaking and kicking the ground beneath her, her sensitivity was skyrocketing by the second.

“I can’t stop now, if I do, you’ll surely get pregnant, hold on, it’s almost over.”

Ruby's hole body was shaking like crazy as the bubble slowly made its way down her pussy. She was holding on for dear life against Jaune's other arm while she felt how the warm liquid made its way through her. Ruby's crimson aura was starting to flicker and sizzle away while her silver eyes rolled to her back and started flashing in small intervals of time. She felt his fingers approach her clit on the way out, as a faint glimmer of white light escaped from inside her shaking pussy, if having Jaune's aura run through her pussy felt this good, what would happened if it passed through her clit?

“W-WAIT!!! J-Jaune, if you move your fingers there I'll definitely—” She never had the chance, as Jaune's fingers graced Ruby's clit through her hood, Ruby felt what could only be described as a beam of pure energy run through her system, hitting her senses with the immense pleasure “*CUMMMMMMMMMMMMMING!!!*” She screamed into the night as her silver eyes lighted up the darkness around her, shining a pure white light that could be easily mistaken for the early sun, and then slowly died out. Once Jaune recovered his sense of sight, he saw Ruby convulsing on the ground as a puddle of Jaune's load started to expand beneath her.

“Ruby, are you ok?... Rub’s?” Jaune asked as she silently went dormant, her face full of ecstasy, as her consciousness left her body. ‘S-So... *good~*’ Those were Ruby’s last thoughts as she fell into a deep slumber.

---

The early light was starting to shine throughout the Ever After, slowly waking Ruby up as she was covered up by a warm blanket, her head was resting on top of a soft comfortable pillow, she had the best sleep of her life, she was so warm and comfortable she almost didn’t want to wake up completely, Remnant and Salem could probably wait, she didn’t want to get up from her bed... ‘Wait, what bed?’

The sudden realization hit her, she was supposed to be in the middle of the forest, and wasn’t she with — ‘Oh my gods, Jaune. “Ruby’s eyes suddenly shut open as she admired the big strong mussels she was using as a pillow, blood was soon to rise to her face as she suddenly remembered what had happened last night. Her head looked up to see Jaune still asleep, holding her naked body close to his in a protective and caring way, he seemed so peaceful, so... handsome. Her head quickly went back down as she became as red as her cloak, she had never thought of

Jaune in such a way, sure she always thought he was funny, smart, she would even dare to say cute but this, this was a new feeling. She smiled as she nuzzled the side of her face in Jaune's muscly chest. 'So soft~'

"Glad to see you're awake." Ruby quickly lifted her head up only to see Jaune smiling and looking at her, Ruby groaned as she buried her face in his chest, embarrassment hitting her like a truck. "(Muffled) Of course you were awake." She secretly hoped the tree would just open up the ground beneath her and swallow her up, just so that she wouldn't feel so embarrassed anymore.

"I love you too you know." Jaune said, earning a surprised look from Ruby. "Last night, you said you loved me, well, I love you too, Ruby, I just wanted to say that." He said with that big dumb smile of his. Jaune may have changed sense the last time Ruby saw him, but he was still the same lovable dummy she knew and loved. Ruby smiled and tears rolled down her eyes as she rested her head in Jaune's chest, hugging him with all of her being as he returned the hug himself. The both looked at one another and shared a simple kiss. Ruby had forgotten how happy Jaune used to make her feel, she had missed being happy because of him, she felt

complete for the first time sense she reunited with her team.

“... Hey Jaune?”

“Yeah?”

“you think the others are worried?”

“...”

“Jaune?”

“Oh gods, I forgot, didn’t I?”

“... You think they have an idea of what happened?”

“... We should be good, there’s no way they would know... right?” Jaune stared blankly into the sky. “We should probably get going.”

“Wait.” Ruby stopped Jaune from standing up, while looking at him in the eyes, blushing while making her signature puppy eyes. ‘10 more minutes? Pleaaaaase?’ Jaune tried resisting her infamous stare, fighting for dear life in order to say no to those big lovely silver orb’s of hers, but he couldn’t. Jaune sighed in defeat and smiled at her, as he cuddled up to her again, earning a smile from her. “Fine, I suppose at this point 10 more minutes wouldn’t

hurt.” And with that, the both of them closed their eyes as they embraced the person they loved, falling into a light sleep.

## **Omake**

“Man, Jaune is taking a long time.” Weiss said as she looked at the campfire along with Yang and Blake. ‘You girls think he’ll be able to find her, I can’t sleep knowing Ruby’s still out there.’ Yang poked the fire with a stick to make sure it evenly distributed. “If anyone can find her it’s him, he knows this parts better than anyone, besides, Little gave us the general direction.” She said while pointing at the mouse resting at Weiss side. “It’s just a matter of time before he finds her and brings her back so we can all talk, right Blake?... Blake?”

Blake was staring intensely at the fire, as her face blushed and she maintained silent, ignoring everything around her. “You ok kitty cat? Why are you blushing all of a sudden?... come on, say something.” Blake just made a sign with her hand to be silent, and then gestured to her ear, as if telling the two to listen carefully. Weiss and Yang looked at each other with confusion, and eventually did what

was asked of them. It took some time adjusting their ears to the nothingness of the night, not hearing anything but the campfire, until a faint voice could be heard in the distance. Both Yang and Weiss shut their eyes open in surprise as a deep blush formed in their face's, those faint voices we're moans, Ruby's moans to be precise.

“Oh he found Ruby alright.” Blake said as she hugged her knees. “He found her.”

“Is... Is it weird I'm a bit jealous? Weiss said while the other two looked at her with shocked expressions, causing her to feel embarrassed.
