The Nigeria Police Force, is the Principal Law Enforcement Agency in Nigeria. The Nigeria Police Force has a massive staff strength of about three hundred and eighty seven thousand, nine hundred and twenty seven (387, 927). The Nigerian Police force is a very large organization consisting of commands that cuts across all the thirty six states in the Country, and is very active in it's individual region of jurisdiction.

Download the Nigerian police past questions and answers

The Nigerian Police Force was first established in the year 1820. The major ambition of the NPF is ensure that Nigeria as a Country is protected from security threats. Other duties is to make the country safer, and more secure, so as to establish economic development and growth.

Also, they tend to create a more secure environment for everyone living in Nigeria

1. To build, develop, and portray a people's friendly Police Force, that will respect and uphold all the fundamental rights of all citizens of Nigeria.
2. Ensuring that citizens of Nigeria express their rights of "Freedom of Speech" and "Freedom to vote and be Voted for", irrespective of the State or Town they may find themselves in.
3. To create a strong partnership with other relevant Security Agencies, and the Public, to help in easy collation and sharing of information, to ensure the safety and security of citizens in the Country.
4. To ensure that any criminal act is well investigated, so as to bring the culprits of such illegal acts to justice in a fair and professional. Thereby making the environment safer for inhabitants.
