

2022 SPONSORSHIP OPPORTUNITIES GUIDE

ADVOCATING EDUCATING CONNECTING

That's what the Five-Star Accredited Jefferson Chamber is all about.

The Jefferson Chamber implements a number of programs and initiatives that support our mission of “Improving Business - Improving Lives” in Jefferson Parish. Because the Chamber is a not-for-profit organization with limited funds, the generosity of our members and high investors allows us to do the majority of the work we do. We rely on your support to execute our programs at work. The opportunities in this guide provide a variety of platforms for advertising, branding and networking for your company, and help position you as a leader in the Greater New Orleans Regional business community. Please join us in this endeavor to create the best opportunities for **advocating, educating and connecting** in Jefferson Parish and in our Region.

A LETTER FROM THE PRESIDENT

Improving the business climate and quality of life in Jefferson Parish and the region has been our mission for more than two decades. As we enter our [25th Anniversary Year](#), we are proud to advocate for you as the Voice of Business for Jefferson Parish. Despite COVID-19 and Hurricane Ida, we have made great strides in improving the business climate in Jefferson Parish. With our investors in mind, we strive for excellence, maintaining a [Five - Star Accredited Chamber of Commerce](#), placing us in the top 1.9% of Chambers in the United States.

As the [Voice of Business](#) for Jefferson Parish, we are proud to advocate for you. The term “unprecedented” probably has been used and abused, yet these times are just that. We have advocated all along for a balance of public health and a healthy economy. And sometimes we have been outspoken with leadership for the good of our economy.

Our team will continue to work, (almost literally), around the clock to [Advocate – Educate – Connect](#) our valued investors.

[Advocating](#) on a local, state and federal level to endorse and support pro-business policies and legislation continues to be our first priority. In 2021, we were proud to support income tax reform to make Louisiana more competitive on a national level thus generating economic growth and vitality. We advocated with our Parish officials for the successful renewal of three tax millages which are essential to providing quality water, drainage and sewer services to our residents and additional funding for economic development and the criminal justice system. We also continue to be an active participant in the American Rescue Plan Task Force to ensure the \$84 million received from ARPA is spent in transformational ways in Jefferson Parish. In June, we hosted the first InterCity Trip to Nashville which brought business and elected leaders together to learn best practices involving public-private partnerships, education, land banking and development. We are proud of our advocacy work in 2021 and look forward to making greater strides in 2022 through our visits to Baton Rouge and Washington D.C. Please consider joining a committee and attending one of our governmental site visits to ensure our voices are heard at all levels of government!

[Educating](#) and providing ongoing professional development remain a high priority to ensure that our workforce is equipped to supply ever-demanding job growth. Leadership Jefferson, a nine-month program designed to develop business and community leaders with the capacity to improve the quality of life in our region, graduated its 20th class in 2021. In collaboration with JEDCO, our Prosper Jefferson seminar series offers an environment for professionals to grow together, focusing on topics such as company culture and employee morale, social media, and diversity, equity & inclusion in the workplace. We also host government leaders to discuss developments in our area and the impact on business leaders at our events, such as the Legislative Breakfast and State of Jefferson. Lastly, we support children at all levels and empower Jefferson Parish educators to grow our children through improving academics, technology, and trade education in our schools.

[Connecting](#) people ensures growth in businesses, and no organization does this better than the Jefferson Chamber! Monthly networking events such as our Business and Breakfasts and Business Card Exchanges provide an accessible way to increase your business network. We successfully held most of our major events including the Annual Meeting, Evening at the Legislature, Crawfish Boil, and the Golf Classic despite interruptions from COVID-19 and a catastrophic hurricane. Tour de Jefferson, our social bike ride through Jefferson Parish, boasted 600 cyclists in May, making it our most successful year yet.

We are funded by membership dues and crawfish boils, both of which are currently in flux. Further, as a non-profit 501(C)6 organization, we do not qualify for the Payroll Protection Program. We need additional support and I would simply ask that you support us – your business advocate - as a sponsor of an upcoming event in 2022.

Thank you for your continued support of the Jefferson Chamber. We work tirelessly each day to make Jefferson Parish the best place to do business. Your investment in our award-winning Chamber makes our mission of Improving Business – Improving Lives possible.

In passionate service,

LIVEWELL JEFFERSON CAMPAIGN + HEALTH SUMMIT

Multi-Year Campaign

The Jefferson Chamber's LiveWell Jefferson campaign was formed in early 2017 and has gained momentum over the past 3 years among Jefferson Parish residents and workforce. Our goal is to help our community understand the value of healthy employees, provide information on employee wellness programs and promote health and wellness in Jefferson Parish. To date, we have implemented several initiatives and programs, including but not limited to, a Healthy Business Award, our annual LiveWell Jefferson Summit, resources for businesses related to American Heart Association, Smoking Cessation programs and Well Spots, and a LiveWell Champion certification to recognize companies that foster a workplace focused on health and wellness. Additionally, the LiveWell Jefferson campaign received the 2018 Communications Excellence Award by the Association of Chamber of Commerce Executives (ACCE), and the Chamber team was invited to present the campaign at the annual ACCE Conference in Des Moines, IA. The LiveWell Jefferson campaign is run through the Chamber's foundation, a 501(c)(3) organization.

2022 Summit | July 2022

The LiveWell Jefferson Worksite Wellness Summit will celebrate a culture of health and wellness among the business community and residents of Jefferson Parish. Participants will increase their knowledge and awareness of worksite wellness program concepts, tools, and resources as well as increase employer capacity to build or enhance effective worksite wellness programs. The 2022 Summit Week will offer programs Monday - Friday. The summit will culminate with the 2022 Healthy Business Awards presentation on Friday.
