If you are not using your dishwasher, I ask that you put a half cup of bleach in the dishwasher and run the cycle every 6 months.

## Happy Father's Day

June 18, 2023 is the day that we celebrate our fathers. Although my father is deceased, I will always remember the talks and teachings that was given to my family and friends that would hang around our home. The greatest conversations came from my Dad that I reflect on daily.

On this Fathers Day, call him or visit him or just remember the good times with him. I loved my father, what about you?
