Pressure Cooker Potato, Leek & Kale Soup

Ingredients

- 3 cups Vegetable Broth
- 1 Leeks (white parts only, chopped fine)
- 2 stalks Celery (chopped)
- 4 Garlic (cloves, minced)
- 1 tsp Oregano (dried)
- 1/8 tsp Dried Thyme
- 1/2 tsp Sea Salt
- 3 Yellow Potato (medium, chopped)
- 2 cups Kale Leaves (stem removed, chopped)
- 1 1/2 tbsps Lemon Juice
- 1/4 cup Fresh Dill (optional, chopped)

Directions

- 1 Turn your pressure cooker to sauté mode and heat the oil. Then add the leeks and celery and cook for 4 minutes. Add the garlic, oregano, thyme and sea salt and sauté for 1 minute more.
- 2 Turn off the sauté mode and add the potatoes and vegetable broth. Stir to combine. Put the lid on the manual/pressure cooker and cook for 10 minutes. After finished cooking, turn off and do a quick release.
- 3 Remove about 3/4 of the soup and place in a blender until smooth. Pour this back into the pressure cooker, add the lemon juice and stir. Heat through to let the soup thicken. Garnish with dill if using, and enjoy!

Notes

- Leftovers:** Refrigerate in an airtight container for up to 5 days.
- Serving Size:** One serving is equal to about 1 1/2 cups.
- More Flavor:** Use oil to sauté the vegetables.
- Additional Toppings:** Top with red pepper flakes.
- No Dill:** Omit or use any other fresh herb.
