WINTER 2019 COLLECTION

OCTOBER & NOVEMBER DELIVERY

Our journey begins

We embrace the new season with a journey where all movements are allowed.
The ZOEY Winter 2019 collection is synonymous with party times
and fun in 'dressing up'.

This year focus is on beautiful prints and texture in our styles.
Party lace, check fabrics and teddy details in a perfect mix of coolness and party!
You can fight dark days with beautiful dark blue and deep mustard colors,
shiny materials and sparkling fabrics.

This collection might make this season your absolute favourite
with its sentiment of being spoiled and cherished. Feel like a true queen in
our beautiful viscose blouses with details in gold, or express your inner diva
in our coated pants and jacket.

Spice up your everyday wardrobe with clothing in patchwork prints and get into
the right winter mood in our teddy jacket or warm poncho knit.

Take a tour through the inviting story of the lovely ZOEY winter collection 2019.

We hope you will enjoy!

Lots of love
