Who Should Use Smart Ads Builder?

ECOM VENDORS

- ✓ 2 sides to the eCom coin: service and sales. With Push Leads, you can INSTANTLY improve customer service by messaging buyers with their order status & delivery date - for happy customers and REPEAT buyers
- ✓ Maximize profits - offer special coupons & discounts, remind visitors of "abandoned carts", and reward certain buyers with loyalty programs. At 100% deliverability, every message is sent and your profits skyrocket

PRODUCT VENDORS

- ✓ As product creators we understand the value of keeping a customer ... use Push Leads to offer incentives for upsells and cross sell opportunities to **explode your profits**
- ✓ Maximize customer retention by sending notifications about key updates and value add-ons

BLOGGERS & CONTENT MARKETERS

- ✓ There's no more effective way to reach your subscriber base about NEW video or blog content than through the 100% deliverability of push notifications
- ✓ Turn more followers into buyers with this cutting edge technology

SOCIAL MEDIA MARKETERS

- ✓ Monetize your social network following by sending appropriate offers at the right time with Push Leads
- ✓ Build an even bigger base of viral fans using Push Leads on your site or blog to drive people to your social media pages and **explode your following**

AFFILIATE MARKETERS

- ✓ Many top affiliates use review style sites to generate commissions. With Push Leads, you can build a TARGETED following you can send marketing messages to with details of your latest reviews
- ✓ Watch your conversion rates on offers **explode** when your message is INSTANTLY received by engaged subscribers

CPA MARKETERS

- ✓ Effective CPA marketers almost always use landing pages to generate buzz - with Push Leads, you can take it a step further and generate an engaged subscriber base
- ✓ Send subscribers notifications which take them straight to your next offer for **explosive commissions**

WEBINAR HOSTS

- ✓ There's simply no FASTER or easier way to reach your followers than with push notifications ... remember people see these WHENEVER they're online - no matter which website they're visiting. Sending notifications about an upcoming webinar through push notifications is the MOST EFFECTIVE way to **maximize attendance and profits with your big ticket events**

VIDEO MARKETERS

- ✓ Video can be great for conversions, but what if viewers don't subscribe to your channel? You're stuck sending them to a 'standard' page with old-fashioned optin forms and hoping they subscribe. Now you can **funnel viewers to your pages with Push Leads integration to gain MORE subscribers that you can engage with anytime you wish**
