RV/INTELLIGENCE ALERT - September 27, 2018

(Disclaimer: The following is an overview of the current situation based on intelligence leaks received from several sources which may or may not accurate. Other confirmed sources may also be included in this overview.)

Russia has threatened Israel with a No-Fly Zone if they do not comply with GESARA terms.

Sources expect the redemption of Zimbabwe Bond Notes to begin at anytime.

Once all Zimbabwe Bond Notes have been redeemed worldwide, Zimbabwe's currency will become 1:1 with the USD.

The redemption event will also clear Zimbabwe's national debt, freeing the nation from its economical shackles.

Mnangagwa spoke of "ending poverty" and "creating a better world" during his speech at the UN General Assembly.

<http://inteldinarchronicles.blogspot.com/2018/09/zimbabwes-mnangagwa-at-un-end-poverty.html>

The U.S. will release a gold-standard currency (USN) shortly after the redemption event.

This is a DAILY High Level negotiation and no one can call it. There is a Fiscal necessity to do something. Just how and when. How much! So many are in need, and so many hold paper, in greed. It's a day thing.

Why are the dems so afraid of Kavanaugh's appointment to the Supreme Court?

Thread by @Mark923to25: "1. Why are the dems so afraid of Kavanaugh's appointment to the Supreme Court? abortion? partly, but the real reasonstate hacks are terrified of facing military tribunals; Kavanaugh will be the court tie break [...]" #qanon #wwg1wga

Answer: Because he is the swing vote for the military tribunals.

Prophecy Club

As a Bible prophecy teacher, Stan looks at the news headlines in light of the scripture. What is the POSSIBILITY of a judgment coming to America as soon as October 3rd, 2018? This is NOT a "Thus saith the Lord" but it is a scenario based on scriptures, news headlines, and modern day prophecies which all seem to corroborate the same conclusion. here is an eye opener!!

Here is a short video that will change your perspective on reality

Q's October SURPRISE for Dems?? An Anon's Perspective

Here's one anon's thoughts on the October surprise the Q Team has in store for the Democrats. Although it's not Q-confirmed, I think it's probably what we're going to see.

► **Anonymous** 09/02/18 (Sun) 01:10:43 ID: 296f8b (2) No.2842544 >>2842545 >>2842590 >>2842710 >>2842805

So here's the plan as I see it from my perspective.

We need to take down these bad actors... but politics is a dirty and messy game, where public perception rules the day. It is absolutely VITAL that any prosecution of any POLITICAL people be done in a manner that is NOT seen as being a "political targeting job". This is the main reason for Sessions being in Trump's public crosshairs at the moment.

Trump says he's gonna fire Sessions because Sessions recused himself from the Russia probe... Sessions ACTUALLY recused himself because he knew it was a sham and he wanted to keep himself free to do his REAL work with Huber in the background (45,000 sealed indictments, laying the ground work for all of the legal shit going down against the cabal)... but the fact that Sessions recused himself against Trump's better interest provides a cover as well that can be used to foment a public "spat" between the two, where Sessions can build his credibility and be seen as a "tough, no nonsense, non-political justice-seeking guy that REFUSES to get involved in political prosecutions!"

Building that sort of public image is absolutely VITAL to the success of this operation... if the left can be successful in their re-framing of the situation, such that people see it as a political hack job, then we lose everything.

So anticipating the left is very easy to do. Ask yourself, "what happens if we go after Hillary and Obama?"

Answer: "The left will go CRAZY and they will accuse Trump of engaging in a political hit job... why? Because they always accuse others of doing exactly what they have done... in fact, if they accuse you of doing ANYTHING, you should look for signs that they did it first..."

So knowing that's going to be their go-to excuse for why Hillary and Obama and Lynch and all of them are VICTIMS of a political hack job, they had to have someone of integrity do it... someone who THEY THEMSELVES have come to the defense of, saying that he's a "GREAT STAND-UP GUY!"

That's happened already, in fact! Polls have come out recently saying 67% of the country wants the Muller investigation to continue, AND that they think Sessions should NOT be fired... basically, it's an anti-trump sentiment.. and it's a figure that can be shoved in their faces when they INEVITABLY call these prosecutions "political"...

October 2 & 4 Only

On April 28, 2011, Mark Taylor, recently retired from a demanding career as a fireman, awoke at 2:00 a.m. Unable to return to sleep, he turned on his TV. Clicking through channels, he stopped at C-Span; the man on his screen was Donald Trump. At that moment, Taylor heard God say, "You are hearing the voice of the next President."

Little did Taylor know, several dozen video recordings of others documented that they also got the same message and were equally convinced it came from God.

A voice of hope – a movement of prayer. Don't miss *The Trump Prophecy* in select cinemas nationwide for two nights only on October 2 and 4. For tickets and more information visit FathomEvents.com

Preparing to say goodbye... a message from Clint Eastwood.

My Twilight Years at 84.

If you realize each day is a gift, you may be near my age. As I enjoy my twilight years, I am often struck by the inevitability that the party must end.

There will come a clear, cold morning when there isn't any "more". No more hugs, no more special moments to celebrate together, no more phone calls just to chat.

It seems to me that one of the important things to do before that morning comes is to let everyone of your family and friends know that you care for them by finding simple ways to let them know your heartfelt beliefs and the guiding principles of your life so they can always say, "He was my friend, and I know where he stood."

So, just in case I'm gone tomorrow, please know this:

I voted against that incompetent, lying, flip-flopping, insincere, double-talking, radical socialist, terrorist excusing, bleeding heart, narcissistic, scientific and economic moron that spent eight years-in the White House trying to destroy our wonderful country and turn it into Muslim loving, socialist shit hole like he came from and I don't mean Hawaii!

Participating in a gun buy-back program because you think criminals have too many guns is like having yourself castrated because you think your neighbors have too many kids.

Regards,

Clint
