Club ethnic accents with modern décor

A wall clock with a metallic or wood finish can lift the entire look of your living room. It's a perfect choice to get a modern yet sophisticated living room. Accentuate the look with a hand-embroidered cushion cover and lamp to add grace and rustic charm.

Decorate your living room with a wall clock with family pics

How about giving a personalised touch to your living room? Create a customised feature wall with gorgeous textured wallpaper, a pretty looking vintage wall clock and matching photo frames placed in a sequence. Make it more meaningful by arranging pictures chronologically portraying the journey of your life in one glimpse.

It's a perfect alternative to decorate a spacious living room.

Marry a timeless timepiece with a black and white colour scheme

For a vintage touch, try clubbing your vintage metallic wall piece with oversized Roman numerals with a white and black colour scheme. Enliven your contemporary living room with a pristine white panelled wall to draw all the attention on your timeless wall clock.

Disclaimer: All shipments are delayed due to nationwide lockdown. However, we accept orders which will be shipped post lockdown.

Choose a wooden timepiece for a timeless grandeur.

Nothing is better than a rustic looking wall clock. Purchase a medium-sized wall clock having earthy tones and wooden accents to exude a timeless charm to your living room interiors. Doesn't it sound and inviting?

Let's decorate a bit!

Along with aesthetically pleasing art pieces, pair your lonely wall clock with some fun decorative pieces, gorgeous shelving and fascinating souvenirs to liven your large room.

We all know that wall clocks are one of the most admirable home decor objects. It's a perfect option for an antique, royal and chic look. Get unusual wall clock patterns to get the perfect combination of quirky and eclectic.
