

KAS ICT Evaluation Process

Acting Lessons for Children Orange County

Our evaluation process is quite selective, but if your child gets accepted, we routinely invite our kid actors to practice positive affirmation and envision themselves in the exact place they wish to gravitate towards. Affirmations however are not sufficient to manifest the intent. Incantations present a more powerful level of expression. The process of affirmation has to be performed with heart, energy and passion. At (Kids Acting School) KAS ICT, we feel that the mind is a powerful tool, not only for actors but also for anyone who wishes to create a different environment for themselves.

Should your child does not get accepted, and you have a concern with personal growth aspects, such as the ability to have fun, a drive to do homework, a seemingly lack of happiness, etc... Please contact us for a free two session program which will allow for us the work with your child in life skills. There will be no cost for this small program, but your child will not be allowed to meet any talent agents.

If your child is accepted into one of our programs, [KAS ICT](#) placement program will help introduce you to agents, managers and casting directors who frequently, (WEEKLY), visit KAS ICT school in order to evaluate our graduates. Our kids acting classes give the children not only auditioning skills, but additionally, it allows for the children to become the best applicants for any college, the best interviewer for any job, and if accepted by us, it already prepares them towards effectively solving the auditioning question.
