#### 4. Danielle Smith, UCP & Climate Change

In 2022 **Danielle Smith** stated; "I talked about how the science wasn't settled on climate change, and I can tell you, I've come around full circle on that. I am now probably the first and early adopter of thinking that we can hit a net zero target and we can get there faster than anyone anywhere else."

In 2021 the UCP Government "committed to significant emission reductions 'in line' with the country's climate obligations, including Canada's Paris Agreement pledge to cut its emissions by 30 per cent."

#### 5. UCP taxpayer funded climate change agenda.

December 2022 the UCP Government declared "[Alberta's](#)
