AUDITOR CORRECTION LIST

AUDITOR RECOVERY

Refs:

HCOB 24 Oct. 76RA   C/S Series 96RA
    Rev. 12.7.88   DELIVERY REPAIR LISTS
HCOB   1 Sept. 71 I   C/S Series 57
                    A C/S AS A TRAINING OFFICER
                    A PROGRAM FOR FLUBLESS AUDITING

This list is designed to get the auditor back in the chair.

Assessed properly with good assessment TRs, this list will allow the auditor to recognize which way his tech has been out.

The list is assessed Method 3 or Method 5, as directed by the C/S. (Refs: HCOB 28 May 70, CORRECTION LISTS, USE OF; HCOB 20 Dec. 71, C/S Series 72, USE OF CORRECTION LISTS; HCOB 10 June 71 I, C/S Series 44R, C/S RULES, PROGRAMING FROM PREPARED LISTS)

Under some of the questions there are two separate sets of handling instructions. Where this is the case, the handling given in the first set of parentheses is the one the auditor does directly in the session. The instructions in the second set of parentheses are used by the C/S in programing out the actions to be done to complete the pc's handling, after all the reading items on the list have been F/Ned.

There is a form attached to this list on which the C/S notes corrective actions to be taken. The C/S fills out the form by carefully reviewing what was found in F/Ning the questions which read and then listing out the steps to be done to correct the situations found. Actions ordered by the C/S can include such things as cramming, retread or retrain of earlier courses, drilling, TIPing and standard Ethics handlings including Security Checking. The completed form is routed to the Dir of Correction, who sees that the handlings get done. Any case actions needed to complete the person's handling would be included as part of his auditing program.
