

# PGA Golf Villas at NovaWorld Phan Thiet

PGA Golf Villas has exquisite architecture and 360-degree views of the green golf course. On all sides of the villa, there is transparent glass surrounding it, providing unlimited views to the green grass slopes. In particular, from the rooftop, the owner of each PGA Golf villa can practice putt while watching the vast blue sky as far as the eye of Phan Thiet Bay. With a large floor area, the villa has comfortable living and entertainment space for multi-generational families such as overflowing swimming pool, outdoor BBQ area, spacious living room and kitchen.

With novaworld , the PGA Golf Villas at NovaWorld Phan Thiet is not only a mere real estate investment or a resort, but also considered as a model second home for golf lovers. From the terrace of the villa, the owner can directly watch the PGA Tour tournament system, enjoy the eye-catching strokes or accompany the golfers in the moment of brain competition..

"For a golf lover like me, there's nothing more wonderful than waking up in the morning, looking out at the green lawn outside the window, enjoying an exciting game or leisurely walking a few steps out. golf practice ground every day", Binh Minh is satisfied with his PGA Golf Villas.

With a fast deployment speed, NovaWorld Phan Thiet is gradually sharpening up with many utilities and services coming into operation. Along with the synchronous infrastructure development of Binh Thuan province, Dau Giay - Phan Thiet expressway is increasing construction and Phan Thiet airport is also being deployed and upgraded, expected to be completed in 2022. In the future In the very near future, NovaWorld Phan Thiet promises to

become an ideal destination to exchange and meet the golf-loving community both domestically and internationally.
