Re: KYES-TV, Channel 5, Anchorage, Alaska

To whom it may concern:

Gray Television Group, Inc. (“Gray”) is the owner of KYES-TV, Anchorage, Alaska. By this letter and pursuant to Section 325(b) of the Communications Act of 1934, as amended, Gray hereby grants consent to General Communications, Inc. (“GCI”) to retransmit the signal for KYES-TV on each cable system that GCI owns in the state of Alaska.

Gray does not seek any fees whatsoever in connection with this grant of consent. Moreover, Gray does not impose any conditions whatsoever on GCI’s carriage of KYES-TV.

We look forward to continuing to provide GCI's customers with KYES-TV's programming, including the local news and public affairs programming produced by Alaska's leading TV station, KTUU(TV) – all at no additional cost to GCI or its customers.

Please contact me if you have any questions about this grant of consent.
