

CALLING FOR UK COMPANIES

Showcase your products virtually at Malaysia's leading green technology and eco products event

The BMCC, as the official delivery partner in Malaysia of the Department of International Trade UK, is calling for UK companies to showcase the best of British products and services at the **International Greentech & Eco Products Exhibition & Conference Malaysia** from **1st July to 31st December 2021**.

This event is the perfect platform for UK companies to tap into the fast-expanding ASEAN market by exhibiting your latest innovations in green technology, eco products and solutions to policymakers, government organisations, investors and the mass market.
