Deca 300 is an injectable anabolic steroid manufactured by Dragon Pharma and containing Nandrolone Decanoate, a Testosterone that may be present naturally in the human body. It is easy on the liver and promotes good size and strength gains while reducing body fat.

Some days you're just not feeling it... and I've had a couple days recently where my heart just hasn't been in it. Maybe I'm still "adjusting" to life at completely at home. Today's workout was exceptionally rough — tho not even a particularly "tough" one for us — and certainly wasn't fun. Grit those teeth and get it done! ☐☐☐

Beware! Gyms Supplying Steroids in Name of Food Supplements.

“Youngsters visiting gyms and using supplements provided by the gym instructor is a new trend but it can cause physiological, psychological disorders such as hallucination, anxiety issues, depression and even suicidal tendencies.”
