Form on bench got cleaned up today, squat moved fast. Deadlift was ok. My last set of 600 was my best but can clean that up. Big week coming up as I'm going all out to see what I really have going into this meet. @tom_the_bomb_squad has my wrap job dialed in ☐ Great to work in with @danmaho2112 and @bencherbryant_48 during squats today! They have some big numbers coming their way ☐.
