Our \$10 FutureNet Products Pack has an income potential of more than US\$44,250.

# **FuturoNetwork Marketing Plan**

## **Links to the 6 FutureNet Shopping Products Packs**

If you have already purchased our digital products and you are already in all 6 FutureNet Selling Structures (one by each FutureNet Products Pack), the mandatory 10% orders will create new turnover, over and over again in your existing Selling Structures (US\$10, US\$25, US\$ 50, US\$ 100, US\$ 500 and US\$1.000) and you will get always new Media Points, which you can use to buy FutureNet digital products.

As this applies to everyone in your team, it means more revolving commissions for somebody in the organization. When someone makes money in the FuturoNetwork MarketingPlan, someone will also make commissions in the FutureNet Selling Structures too! Step by step your 6 Selling Structures have an opportunity to be filled.

**The FutureNet rewards programme gives you another income opportunity to earn up to US\$7,4 million many times\***
