## Accreditations

---

At A Oxley & Son Building Contractors, our customers' peace of mind is a priority, which is why, as well as offering a high quality and professional service; we guarantee all materials and workmanship for 12 months.

We are members of the Federation of Master Builders, and are able to offer an optional FMB MasterBond warranty which guarantees all work for up to 10 years.

We are also endorsed by the government's TrustMark scheme which helps customers to find reliable, quality tradespeople.

Below are a few of the accreditations we have collected over the years due to the high standard we are recognised for.

## Building Services

---

### Plastering

A plastering service should be efficient, reliable and affordable.

Each plastering job should be tailored to suit you and your property's needs, whilst providing great quality results and unbeatable value for money.

If you are looking for a plastering service for your home, tenanted property or commercial building, you shouldn't hesitate to contact A Oxley & Son Building Contractors.

Their team of experts in property maintenance and building management can provide you with the excellent high standard professionalism you have been looking for.

Their team of tradesmen and women are made up of trained and seasoned plasterers, joiners, bricklayers, plumbers, heating engineers and builders, so whatever you need help with, we will be happy to help!

We serve areas all throughout the United Kingdom, but we are based in Manchester and most of the customers we serve are in and around the local area. For commercial properties and larger building jobs, we are happy to travel.

## **Dry Lining**

A Oxley and Son Building Contractors Limited offer a high standard building service that includes dry lining as well as other general building and contracting works such as loft conversions, basement conversions, kitchen and bathroom refurbishments, home extensions, plastering, joinery, brickwork, wet room installation, roofing and much more.

Get in touch with our team of building experts for more information on our other building work services or browse through our website.

## **Roofing**
