

## We Spent \$12,732 on Udimi Solo Ads, Here's What Happened

# Getting The We Spent \$12,732 on Udimi Solo Ads, Here's What Happened To Work

I could not disregard them anymore, solo ads had actually been mentioned a lot of times by influencers that I understand and trust. "I got hundreds of leads for less than 50 cents each!" "This is the FASTEST way to grow your e-mail list!" "Solo advertisements are my NUMBER # 1 source of new e-mail sign ups." I was seeing this weekly in Facebook online forums and YouTube videos.

The principle is perfectly sound. My most significant reservation was the quality of the traffic I'd get. I left my reservations aside and placed my very first order. I even signed up for the \$19.99/month Udimi premium plan that assured much better tracking and some other things. I was cost much better tracking.

I wasn't expecting enormous outcomes. It was an experiment to please my own curiosity and if I got big outcomes, that was simply a reward. This is NOT another Udimi affiliate post where I utilize a clickbait heading and end up actually promoting Udimi in the end OR an associated competitor.

## The 30-Second Trick For UDIMI SOLO ADS — Steemit

For that reason, I do NOT advise Udimi. If you're considering them, please read this whole article initially! I am not trying to offer you anything like the 95% of other Udimi blog site posts are. I am trying to save you cash AND prevent you from permanently damaging your future email deliverability rates.

Consumers buying solo advertisements will generally pay a flat rate for a particular variety of visitors to the site of their picking. There are other kinds of solo advertisements, however these are the most typical. There are several 3rd celebration networks that link people offering ads with people who are buying them.

Regrettably, there are a great deal of fraudsters in the area. That was to be anticipated. It was the corruption inside the Udimi network that facilitates many of these scammers and conceals their shadiness for their own financial gain that concerned me one of the most. Here is the very first purchase I made.

The screenshot shows the Udimi website interface. At the top, there is a navigation bar with the Udimi logo and links for FIND SELLERS, SOLO DEALS, AFFILIATES, FORUM, and HELP. Below this is a secondary navigation bar with tabs for BACK, STATS, MESSAGES, OPTINS, NOTE (1), and INFO. The main content area displays a solo ad listing for a seller named Adrian Costan. The listing includes the following details:

- Seller:** Adrian Costan
- Start on:** 28 Oct 2018 at 00:00 UTC. Early start allowed!
- Visitors:** 200 for \$83.00
- Send traffic to:** <https://trck.cc/wfoob>

At the bottom right of the listing, there are two buttons: "Change link" and "Send Changes to Seller".

## Rumored Buzz on What is Udimi Solo Ads? A Review with a Tour, Pros, Cons

The traffic was going to this opt-in page that promotes a totally free lead magnet that assures to assist people create their own e-mail sequences. [Additional Info](#) -in leads to it's own e-mail series (how could it not?) I know just how much money a legitimate customer must net me once they are added to the e-mail sequence automation. Paying \$0.
