Charlestown Voters - Where Were You?

The city of Boston Primary Election of Sept. 23 may well go down in the record books as the lowest turnout in history. While numerous Charlestown political followers rationalized that this section of the city had one of the highest voter turnouts, the fact is that some 6,900 registered voters in this town did **not** vote on Tuesday.

There were 8,843 Charlestown residents listed as being eligible to vote in the

primary and only 1,930, or 22% cast their ballot in the contests for At-Large and District One City Councillors.

The District One City Council race was possibly

first try for public office.

Modica topped the ticket in Charlestown, while Scapicchio posted a plurality in the North End/Waterfront/West End and East Boston districts, coming

the most hotly contested in the city as the two-term incumbent councillor Diane Modica of East Boston, faced a strong challenge from North End activist Paul Scapicchio in his

out with just over a thousand-vote plurality across District One. Two other District candidates, Al Siciliano and Carlos Rosas had little impact on the

Seven Precinct Seats Up For Election On The Neighborhood Council

Seven delegates, representing the seven Charlestown precincts, will be elected to the Charlestown Neighborhood Council on Nov. 8. These seven people will join the seven at-large and the seven appointed delegates to make up the 21-member council.

Chairing this year's election are council members Edna Kelly and Bill McCabe. The election will be held between 9 a.m. and 1

p.m. on Saturday, Nov. 8 at the K. of C. Hall, 75 West School St.

Nomination papers will be available at noon tomorrow, Friday, Sept. 26, at the Charlestown Patriot office, One Thompson Square, and at the Charlestown Branch Library, 179 Main St. Rules governing the completion of the nomination papers will be on the form, which requires 25 signatures from the precinct in which the

candidate resides and wishes to represent.

Completed nomination papers may be returned in person to the Patriot office no later than 5 p.m. on Friday, Oct. 24. They may also be mailed to the Charlestown Neighborhood Council, P.O. Box 397, Charlestown, MA 02129, postmarked no later than Oct. 24.

The list of candidates will be published in the Oct. 30 edition of the Patriot.

World War II Memorial To Be Rededicated At City Square Park

Just one day less than 51 years, four people who grew up in the town, who shared the common grief of a loved one having been

lost in the war and who, at very young ages, were selected to represent the families of the men and women who served in the

war, some of whom never returned to their hometown.

On Sept. 28, 1946, a War Memorial was unveiled in a grassy fenced-in park in City Square. Thousands were reported to have gathered in the square as Grace Ann Powers, 4, Edward Daly, 9, James Curran, 14, and Louise Salvato, 15, pulled the cord and uncovered the memorial that honored those who had served their country and particularly those who made the supreme sacrifice.

Through the years, traffic in the town increased and took its toll on City Square. The center of the square became somewhat shabby and the fencing and grass deteriorated. Then came the Central Artery/North Area (CANA) project which included excavating for historical arti-

THE WORLD WAR II Memorial in City Square will be rededicated on Saturday, Sept. 27. Shown above is a copy of a newspaper photograph taken at the unveiling of the memorial on Sept. 28, 1946. The four Charlestown youngsters, all of whom lost family members in World War II, pulled the cord to unveil the granite obelisk. Shown are Louise Salvato, 15, Grace Ann Powers, 4, Edward Daly, 9, and James Curran, 14. At the right are the same four people 51 years later as they prepare to take part in this Saturday's rededication ceremony. Shown with Charlestown Veterans Committee Chairman James W. Conway (right) are Louise Salvato Lampassi, Grace Powers Walsh, Edward Daly and Brother James Curran as they view the memorial in its home in the new City Square Park.

PACKING UP TO SELL

Your agent has just gone through your home and has many suggestions about how to make it look terrific. It sounds good, but you're feeling a little overwhelmed by all of the work involved in clearing out and packing up possessions you've accumulated over the years.

Go through and decide what to throw out, what to give away and what to keep. Be ruthless! Remember that you can get a tax deduction for anything you give to a charitable organization.

Pack up whatever you do decide to keep that you aren't likely to need between the time you list your home and the time you move. This has two important benefits. First, if it's packed in a box and stored neatly away, it will help you maximize your storage space and keep your home uncluttered, thereby increasing the chances that it will sell more quickly for top dollar. Second, you'll have to pack it up when you move anyway, and doing it ahead of time will give you a head start toward making moving week almost a breeze.

For solid advice on buying or selling real estate, consult the professionals at **Monument Properties**. Please call us at **241-5900** or stop by our office at **85 Warren St., Charlestown**.

World War II Memorial To Be Rededicated At City Square Park

(continued from page 1)
 facts in the City Square. James W. Conway, chairman of the Charlestown Veterans Committee, opposed a proposal to put the memorial in storage while the excavation and high-way construction was going on. He feared the loss of the memorial much like the honor roll at Thompson Square which was stored during construction of One Thompson Square years ago and was never recovered.

A site was secured for

the memorial in the Harvard Mall, right inside the City Square entrance. There it sat in view of all until the new City Square Park was proposed by a dedicated group of Charlestown residents, funded with the guidance and tireless support of former House Majority Leader Richard Voke, designed and created by The Halvorson Company and subsequently became a reality.

The park now includes a permanent place of honor for this memorial that is

deserving of the respect of each and every individual.

While this memorial honors those who served in World War II, it also became a special place for the families of those who never came home - buried in foreign countries or missing in action.

Grace Ann Powers Walsh was just 3 when her father, John W. Powers Sr., was killed in combat in Germany in 1945. He was buried in Belgium and, through the years, she and her mother would visit the memorial with flowers in his memory.

Louise Salvato Lampassi lost two brothers in 1944. Francis J. Salvato was killed in a training accident in Texas early that year. In November of 1944, Candeloro J. Salvato was reported shot down over the Kurile Islands, and his body was never recovered.

Edward Daly's sister, Lola M. Daly, died in a training accident in California during the war.

James P. Curran, father of Brother James Curran, was killed over Germany in April 1944.

These four will once again represent the families of the Charlestown men and women who served in

World War II as the memorial is once again unveiled.

The rededication will begin at 11 a.m. with an Ecumenical Service at the *USS Cassin Young*, a World War II Fletcher Class Destroyer, at Pier One in the National Historical Park section of the Charlestown Navy Yard. The pastors of all five Charlestown churches and Brother Curran will offer prayers and readings. Music will be offered by the Pipes & Drums of Bunker Hill, the Colonial Band of Lawrence with soloist Kathleen Adams, and the Marquis of Granby Junior Ancient Fyfe & Drum Corps of Connecticut.

At the conclusion of the service a memorial wreath will be tossed from the deck of the ship into Boston Harbor in memory of those who served and lost their lives in World War II.

At approximately 11:40 a.m., the gathering will assemble on Pier One to march to City Square Park, accompanied by the three musical units and with the flags of 10 color guards leading the way. The procession will march to First Avenue, through Gate 4 and onto Chelsea Street. It will then proceed to Vine Street, Bunker Hill Street

and onto to Lexington Street to Monument Square, where it will continue down Winthrop Street to Main Street to City Square Park. Transportation will be provided for those who would like to join the procession but are not able to walk the route.

The ceremony at City Square Park will get underway at approximately noon with brief remarks from invited guests and musical selections from the three units. At the conclusion of the program and following the unveiling of the monument, a representative of the family of each Charlestown man and woman who died in World War II will lay a flower at the base of the memorial.

Many hours of research has gone into identifying Charlestown men and women who died in World War II. Some records do not list sections of the city and it is possible that there are men and women that were missed in these files.

Those names so identified are as follows:

Frederick W. Cahill
 Paul E. Carroll
 William J. Coyle
 Michael J. Cullen
 James P. Curran
 Richard F. Curran

Lola M. Daly
 Alan I. Doherty
 Aloysius L. Doherty

 Candeloro J. Salvato

 Charles N. Steams
 Charles H. Stevens

If there are names of residents that should be included, please contact Conway at 242-6187 as soon as possible.

All are welcome to attend the Ecumenical Service and Rededication Ceremony on Saturday. A special invitation is extended to those Charlestown men and women who served in World War II, along with family members of those who made the supreme sacrifice.

FREE FLU SHOTS

The "flu" season will soon be here and it is important to get vaccinated with the flu shot in the early fall in order to prevent catching the flu once the yearly epidemic begins.

This year the health center plans to set aside several periods of time during which you will be able to get your free flu shot. If you are over 65 and/or have a chronic medical problem, you should consider getting a flu shot.

Influenza or flu is a disease caused by a virus that leads to the sudden onset of fever (usually at least 101 degrees), sore throat, cough, runny nose, tiredness and aches and pains. These symptoms last for several days.

Everyone feels sick with influenza, but some people, especially older people, go on to get pneumonia and become seriously ill. In addition, people with chronic illnesses such as diabetes, heart disease or emphysema, may find that these diseases get out of control when they have the flu. The result is that as many as 10,000 Americans die each year during the flu epidemic. To try to prevent serious illness, hospitalization and death, the Center for Disease Control recommends that anyone with heart or lung disease receive a flu

shot. Ninety percent of the deaths caused by the complications of influenza are in people 65 or older.

The flu vaccine enables your body to make protective antibodies against the type of influenza virus, and a new vaccine is made each year because different strains of the virus spread each flu season. Therefore, it is necessary to receive a yearly flu shot.

The vaccines used in the past few years have been associated with only a few reactions. The most common reaction, which affects less than a third of people vaccinated, is soreness and redness of the arm at the site of the shot. Occasionally, people will develop mild flu-like symptoms for one or two days, starting within hours of getting the shot. This happens mainly in people who have never had influenza. Most people who get sick a day or two after getting a shot, have gotten an unrelated illness; not something caused by the vaccine. Very rarely, people have an allergic reaction to the shot. Thus, anyone with a history of allergies to eggs, which are used in the preparation of the vaccine, should not get the flu shot.

AN EXHIBIT of bridal gowns, created by Priscilla Kidder of Priscilla of Boston fame for the opening of the Bunker Hill Museum in 1975, have been recently restored and were the focus of a benefit on a recent Sunday afternoon entitled, "Tea with Priscilla." Unfortunately, Priscilla Kidder was ill and John Burbidge, her lead designer, hosted the festivities which included recollections of weddings of the past and a show of wedding fashions of today by the company that purchased Priscilla of Boston, now known as Priscilla - The Brides' Shop on Newbury Street. The museum was

decorated with flowers provided by Bunker Hill Florist, Kerrigan's and The Wild Flower, which included banister decorations, table arrangements and bridal bouquets. Along with the tea, there were bountiful tables of sweets and breads from Artisan Cafe, Biga Bread and Sorelle Bakery & Cafe as harpists filled the hall with music. In addition, guests enjoyed viewing and later tasting, an exquisite wedding cake, compliments of wedding cake designer Ceil Burbidge. Shown (l. to r.) Michelle Angell, manager, Priscilla - The Brides' Shop; Ceil Burbidge and the wedding

cake she created; Marie Alves, chairman of the benefit; John Burbidge, now retired lead designer for Priscilla of Boston; Judy Evers, regional coordinator for the Mayor's Office of Neighborhood Services; John Alves, past president, Charlestown Historical Society, and committee member; and Angela (Mrs. Thomas) Menino, honorary chairman of the benefit. Following the tea, Mr. and Mrs. Burbidge took gifts and citations from City Councillor Diane Modica, Rep. Gene O'Flaherty and Sen. Thomas Birmingham to Mrs. Kidder with gratitude from the committee.

Sixth Boston Yard Sale Offers Lots for Abutters

If you're considering buying the lot next to your property, the City of Boston may have just the deal for you. The City of Boston is holding its sixth Yard Sale, a program created to reduce the City of Boston's inventory of vacant land by selling small parcels of tax-foreclosed real property to residential abutters for open space use. These lots may be used for a garden, landscaped open space, off-street parking, a garage, or an addition to your existing home.

Listed below are the 75 lots which are now being offered for sale. If you own property which abuts any of the lots listed, you are eligible to purchase the lot for a nominal price (between \$500 and \$1,000). Eligible property owners are being notified by mail. Proposals are due no later than 4 p.m. on October 30, 1997.

And remember to check your mail; there may be a lot at stake.

BOB D'S BEAT BY BOB DeCRISTOFORO

♣ **Free Agent . . .** As of this writing, Bob D. is a free agent. My job at Charlestown High School as your Community Field Coordinator is currently out of the budget. For the past two years, I have thoroughly enjoyed working at CHS. The faculty, the staff and, most importantly all the students have been great, and I do believe that together we accomplished a lot. I want to thank them all for giving me such a great and rewarding opportunity. I also want to thank all the good people of Charlestown who supported me in this role, as you have always supported me in other endeavors. Charlestown will always be a big part of my life and my stay at CHS will be always remembered as a very happy time.

♣ **College Board . . .** I spent part of my Saturday at the Boston University-Youngstown State football game. The very young Terriers looked good most of the way, taking a shocking 7-7 score into the fourth quarter against the fifth-ranked Division 1A power before the "roof" fell in. Youngstown erupted for 21 straight in the fourth quarter to post a 28-7 victory. Thanks to Boston Against Drugs, I was able to take a few of our Townie-North End celebs to the game as part of the Andy Puopolo College

ANTHONY SORRENTINO and the Boston University cheerleaders.

Nichols 34-0.

During the year, many of these colleges and universities will be stops on the College Club tours. Spending a Saturday at a college game is a lot better than just hanging around.

College hockey fans take note: The 1998-99 hockey season will launch a new Division I League. The Metro Atlantic Athletic Conference (MAAC) will include AIC, Holy Cross, UConn, Fairfield, Sacred Heart, Quinnipiac, Iona and Canisius.

Midnight Madness at Boston University is just about one week away!

♣ **High School Prep Notebook . . .** Charlestown opened its football campaign on a high note, downing Hyde Park 14-6 in a pretty gritty game. The Townies got on the board first, much to the delight of a pretty decent home-day crowd as Charlestownie Freddy Arroyo's 27-yard jaunt into the end zone capped a nifty scoring drive engineered by QB Tim Warren. Fernando also had the extra two points. Kevin White gave Charlestown a 14-0 lead before Hyde Park's Omar Reed cut into the lead.

In other City League football action, Burke stunned West Roxbury 18-8, Boston English bolted past Brighton 31-8 and Madison Park shutout Eastie 14-0. Three different scorers went into the end zone as Southie defeated O'Bryant 20-6.

Tim Cullen had four touchdowns to lead undefeated Latin Academy, who shutout Cathedral 30-0. BC High was defeated by Kevin Quinlan, aka Malden Catholic, 21-6. The Lancer had three fourth-quarter touchdowns to erase a BC 6-0 lead. Weston ate up the Arlington Catholic Cougars 49-6. Pope John was defeated by Tyngsboro 34-16. St. John's Prep tipped Catholic Memorial 21-7. Everett remained undefeated, turning back Winchester 22-6, and Matignon clobbered the Boston Latin wolf pack 40-0. Maybe Latin needs another Danny Gibbons. Man-

chester tipped St. Clement 20-14.

Over at East Boston, Savio Prep made it two in a row, topping Don Bosco 26-6. Mike Burri had three touchdowns for the Spartans. Bosco had cut the lead 14-6 on a TD by Ron O'Brien with seconds to go in the half, but with even less time, Burri's second touchdown, a 70-yard kick return, proved to be the football game buster for Savio.

Charlestown soccer captains are Claudy Paul, Jose Garcia and Townie Kevin Morris.

Former Columbus Super Bowl coach, Bob Hennessey, is coaching at Brookline High School, and fellow coach Alessandro Campea is coaching at Oliver Ames.

♣ **Open House At Don Bosco . . .** Don Bosco will hold the first of three open houses for prospective students and their parents tonight, Thursday, Sept. 25 from 6:30 to 8:30 p.m. For details, call Admissions Director, Charley McCarthy, at 426-9457.

♣ **Weekend Football Watch . . . Friday, Sept. 26** - New Bedford at BC High, Boston English at Charlestown, Durfee at Catholic Memorial, Boston Latin at Bedford and Matignon at Lincoln-Sudbury. **Saturday, Sept. 27** - Don Bosco at Cambridge, Everett at Revere, Arlington Catholic at Trinity, St. Mary's Lynn at Pope John and Hudson Catholic at St. Clement.

♣ **Dunkin' Diplomat . . .** By now, Charlestown knows that Fred The Baker has retired. The better news is that Fred has been named the first-ever Dunkin' Donuts Diplomat - a "roll" which will include children's charity work and guest promotional appearances.

"It's time to make the decisions" was the highlight at Copley Square last Wednesday, and I must admit I had a ball or, in this case, a jelly donut. I've gone to many events and press conferences, but this was the most enjoyable, and most fun.

For close to an hour, we, and there was quite a crowd, laughed and smiled and even sang in tribute to Michael Vale, aka Fred The Baker, the actor who for 15 years made us laugh and smile.

♣ **Tidbits . . .** Birthday best to Mary Rizzo from the Italian North End . . . Paul Blaikie, how was that popcorn? . . . Go Wolf Pack . . . Mayor's Cup Hockey Countdown - 8 days! *Smile!*

POP WARNER CORNER

The directions to Natick High were an early indication that all would not go well this past Saturday, as the Charlestown entourage set sail for a three-hour tour. *The weather started getting rough, the tiny might be tossed, if not for the courage of their fearless crew . . .* let me tell you, Gilligan and the Skipper could not have saved this weekend.

As a wiseman once said, take your lumps and move on, and that is what we intend to do. Natick, one of the better programs in Eastern Mass., recorded five wins on the day, but the Townies never rolled over and battled from start to finish.

The E Team appeared to be over-matched immediately, as the towering Sachems of Natick marched down the field for two early scores to jump out to a 16-0 lead. That score would remain the same until the final minute of the game as the young Townies shut-down the powerful Natick offense on each and every series after the second score. Instead of sitting on the ball with less than a minute to play, Natick came out throwing and scored the final touchdown on a 10-yard pass as the final gun sounded. This tainted a well-played game by both teams. David Dallosa, Pat McGoff and the Paulino brothers, Manny and Ronni, played exceptionally well as they were matched up against players who were two years older and more than held their own throughout.

Matthew Dyer, Timmy Venezia, Ryan Allen and Bryan Paquette had

very good games, but their efforts were not enough as the D Team lost 24-0. Offensively, the Townies were plagued with miscues and could not generate any momentum whatsoever. The offensive line did open some holes which was an improvement over the past few weeks, and better days are ahead. The D Team consists of many first-year players and the experience they are gaining each game will only benefit them as a team in the coming years.

In a battle of the undefeated, it was literally lights out as Natick prevailed in a one-sided affair 20-0. The lights and score went hand-in-hand as this game never should have been played on the poorly lit practice field and a complaint has been filed with league officials. Lights and excuses aside, the Townies still could not get untracked as the undefeated Sachems stymied the potent Townie offense. Aiwai Guerrero, Steve Awbrey, Jason Castillo and Eddie Pimental shined for the Townies. I am confident that Murphy, Jones, Arroyo and the boys will rebound for their upcoming home game against Randolph.

With starting QB Mike Reid disabled as the result of a knee injury, Laurie Durham, Jim McSorley and Rizniel Rosa battled the Sachems throughout, but ended up on the short end of a 21-0 score. A rested Mike Reid should get the Townies back on track this week. The golden helmet award goes to nose guard and center, Craig Gaudette, who takes on much bigger opponents each and every game.

Coaches Mike Walsh, Danny Ryan and Tom McGrath were at the helm in place of Coach Robbie McIntosh, who has assumed head coaching duties at Don Bosco. Two of the better A Teams in the league squared off under the lights on the field that made Doug Flutie famous. Natick derailed the "A" train of Charlestown in overtime, 22-21. Frank McPherson and Darwin Mendosa scored in regulation as the game ended in a 15-15 tie. In overtime, each team is awarded four plays from the 10-yard line. Natick, who won the toss, scored on its third possession and added the extra point to take the lead, 22-15. The pressure was on Charlestown as Mendosa hooked up with Jimmy Joseph for the touchdown and the Townies were within a point of tying the game. Unfortunately, the snap was fumbled and recovered by Natick and the Townies headed back to the big city, winless for the day.

The Townies return home to Charlestown to play Randolph this Sunday, Sept. 28, beginning with the D Team which kicks off at 9 a.m. The C Team plays at 10:30 a.m., the B Team at noon, the A Team at 1:30 p.m. and the E Team at 3 p.m.

As this is an off-week for the New England Patriots, come on down, support the boys and girls and get your football fix at the same time.

The famous concession stand will be open all day!

Parking For Logan?

Dear Gloria,

Last Friday noon, I took the opportunity to enjoy the warmth of a late summer day in the new City Square Park. I watched a car with New Hampshire plates cruise up to an open parking space directly across from the Court House door and, as the driver backed in, a woman alighted from the car and checked lamp poles for signs. Seeing no signs, the couple began to unload suitcases from the vehicle.

Within a few minutes, a taxi pulled up next to the car and the duo began to load their luggage into the taxi. A Townie approached them as to leaving their car there, as there will be a rededication of the World War II Memorial on this Saturday, Sept. 27, and the area will be posted "No Parking" for the ceremony. They informed the man that they would not be back by then, to which he replied that the car would be towed if it were still parked there on Saturday.

So it looks as though we are a parking lot for travelers leaving from Logan Airport - and we know this is happening more and more.

CAPITAL GAINS SUBJECT TO NEW RATES AND RULES

The **Taxpayer Relief Act of 1997** cuts the top rate on long-term capital gains from 28% to 20%, and it allows a large exclusion for home-sale gains. But, as you might expect, the new law isn't as simple as that. Here are some details.

- The new capital gains rate of 20% applies to taxpayers in all but the lowest tax bracket. Taxpayers who pay 15% on their regular income will pay 10% tax on their long-term capital gains.

- The new rates do not apply to gains from art, antiques and other "collectibles." Otherwise, the new rates apply retroactively to sales made after May 6, 1997.

- Under the old law, an asset was considered "long-term" if it was held for at least 12 months. Under the new law, assets sold after July 28, 1997, will be considered long-term only if they have been held for at least 18 months. Assets sold after July 28 and held for between 12 and 18 months will be taxed at capital gain rates from the prior law (either 28% or 15%).

- To further complicate matters, assets sold from May 7 through July 28 will still be considered long-term if they were held for just 12 months.

- Married taxpayers of any age who meet certain eligibility requirements may now exclude up to \$500,000 of home-sale profits. (The exclusion amount for singles is \$250,000.) This provision is generally effective for home sales after May 6, 1997, although transitional rules apply to some sales. To qualify, you must have owned the residence and occupied it as your principal residence for at least two of the five years preceding the sale. In general, you may take advantage of this tax break as many times as you like, but you must wait at least two years between sales. This new provision replaces the rollover provision that allowed deferral of home-sale gains and the once-in-a-lifetime \$125,000 exclusion of gain on a home sale for taxpayers 55 and older.

Tournament Was A Great Success!

Dear Gloria,

I would like to commend all of the people who helped make the first annual Charlestown Invitational Hockey Tournament a success.

First of all, congratulations to both winners in the men's and women's divisions, especially the women's team. Their final was one of the finest, most competitive and hardest-fought games at any level that I have ever witnessed, and everyone agrees that both teams should be proud of their efforts.

Thank you to all participants, including the five teams from out of town, and the families and friends who came out to show their support. A special thank you to Michelle and Ruthanne who were there all weekend; to Jean McLaughlin and Mayor Tom Menino's office for their help; to Bobby D. for his stories each week in the paper; to Leo Boucher; to Bernie Lynch and the Parks and Recreation Department; and to our biggest supporter, City Councillor Diane Modica and her staff. Most importantly, thank you to my family for their efforts to make this event a huge success.

There were many people who thought that this tournament would be a circus or would get out of hand, but except for a few small incidents, players demonstrated great effort, ability and competitiveness that led to an intense and fun-type of hockey. In addition, I perceived overwhelming,

positive support for how well-organized and controlled the event was. Only the referees, Mike Sweeney, Paul Nicklas, Pat Considine and Matt Mahoney, can take credit for that.

My biggest thanks and congratulations go out to the youngest team that played, "The Underdogs." You young men, and you know who you are, continue to make your families and town proud - from your ice hockey state championship to your division title in Little League. You stole the show with your athletic ability and courage, and are the true champs of this event by earning respect and wishes for continued success.

This is first time Jimmy Hingston and I have tried anything of this nature and I think it was definitely a learning experience. We had positive results and feedback but for the doubters who believed that this was a money-making tournament, I would be happy to sit down with you and show all the receipts as proof that you could not be further from the truth.

Hopefully, we can count on the support of the families, friends, fans and people of this town next year so we can come back bigger and better! Thanks again, especially if I forgot anyone, for all your support.

Gratefully
Mark Gorman

P.S. What's up with my car?

Thank You DOI #1 Members

Dear Gloria

Tomorrow night, Friday, Sept. 26, for the first time in the 95-year history of the Daughters of Isabella #1, we will install our newly elected officers the same night as Bunker Hill Council #62, Knights of Columbus installs its officers. We will begin promptly at 7 and the public is invited.

While I have chosen to step down as president, I have been greatly honored to be elected a trustee. I will continue to be active, but from the background.

I would like to take this opportunity to publicly thank some special people. First, thanks and congratulations to Vice President Esther "Snooky" McCabe on becoming our next president. As vice president, Snooky has not only been my right hand but also my left ear! She has helped support our many, many, quests. I know she will continue this amazing path we have paved and will do a terrific job. She'll also look beautiful in a dress!

Second, thank you, thank you, thank you . . . to all the DOI #1 officers (it has been a privilege) and to all DOI #1 members. Thanks for keeping an open mind, for taking risks, being innovative and accepting change. Because of your support, your hard work, and generosity, you have helped many wishes* to come true and you should be extremely proud of what you have accomplished.

Third, I don't like to single out any one member, but I know members will agree that a great deal of appreciation goes to our Financial Secretary Eileen Breen (my right ear),

for always going that extra mile, especially in a crisis - my utmost thanks.

Looking back . . . It seems only yesterday that Snooky and I joined DOI #1 (10 years ago) to the surprise of many. People would ask me "WHY?" I understood their surprise and my answer to them then (as it would be today), was very simple:

* "We wish, we wish . . . but we don't have a lot of time on our hands!"

You see . . . We are very fortunate in this small community of ours to have so many wonderful organizations and wonderful people who get involved to do so much for so many (we wish we could be one of them . . . maybe when we retire) . . . Any organization (of which we have many) that reaches out and somehow enriches the lives of our children or elderly, deserves my support as well as that of everyone else (we wish we could do more) . . . We have groups that donate scholarship money to deserving youths (we wish we could be more involved) . . . We are blessed with people who will take on the responsibility for others when tragedy strikes (we wish we could be there, but it is not always humanly possible) . . . We have one Catholic school in our town (we remember when there were three) . . . Isn't that scary? (we wish we could have contributed to their survival).

By joining the DOI #1, we sometimes make wishes come true!

Claire Lynch, president

Oh, What A Night!

Dear Family and Friends,

Thank you to my husband, Paul, my children, Paul Jr., Chris and Linda, and my favorite daughter-in-law, Chrissy, for the wonderful surprise birthday party last Friday night at the K. of C.

To all my family and friends who came to celebrate with me, thank you all. It never would have been the night it was if it wasn't for you. I'm still in shock that I was able to fill the main hall with so many people.

Again, my thanks to all!

Love,
Mary Rizzo

Park & Bus Commuters - Why?

Dear Gloria,

I am writing about the parking situation in Charlestown. Why do we as Townies allow this situation to continue.

We get the park & bus commuters from out of town every day. They park in clearly marked tow zones, and yet they are not ticketed or towed.

Why bother with an enforcement policy since there is no enforcement. We seem to have enough police for extra details but not for parking violations.

We can't seem to get together on a residential sticker, so we suffer the consequences. Sullivan Square looks like Foxboro at a Patriots game.

We have a police substation on Main Street and yet you have congestion with double parkers ignored. They park at hydrants, crosswalks, bus stops, handicapped spots, etc.

Why is this allowed?

Thank you,
An Old Townie, Ed Whelan

election's outcome.

The unofficial vote in Wards 1 and 3 is:

Ward 1 - East Boston

Siciliano 183
Scapicchio 1691
Rosas 65
Modica 1164

Ward 3 - North End/Waterfront/West End

Siciliano 34
Scapicchio 1238
Rosas 15
Modica 510

On Wednesday afternoon, Modica told the

Patriot that she was "pleased with her vote in Charlestown," adding that "it proves that you can't tell Charlestown people how to vote."

Modica stated that she is confident that she "can make up the difference and more in the final election." She went on to say that she "looks forward to working with my friends in Charlestown to continue the progress we have made together."

Scapicchio took the op-

portunity on Wednesday afternoon to "thank the people of Charlestown who came out to vote for me on Tuesday and those who worked for me."

He talked about working hard on the campaign during the summer, adding, "The people are going to see that hard work continue and on Nov. 4, they will come out to elect a City Councillor who will work hard for Charlestown."

Modica and Scapicchio are now off and running for

the next five-plus weeks to the final election on Nov. 4.

Incumbent Francis "Mickey" Roache topped the tally in the At-Large race here in Charlestown and citywide. Incumbents Albert O'Neil, Stephen Murphy and Peggy Davis-Mullen fared well here. They were followed by Paul Gannon, Suzanne Iannella, Frank Jones and Pamela Smith. Anthony Schinella was eliminated from the November ballot as the nine-person field was narrowed to eight.

Lobster Tales . . .

BUSINESSES COME . . . BUSINESSES GO . . . but one of the latest businesses to drop anchor in Charlestown is DLM - a successful lobstering enterprise. The group obtained a license and at the end of August set two traps out in Boston Harbor and on Labor Day, two two-pound lobsters, and a lot of crabs that were tossed back, were pulled from the water and, with a little drawn butter, it was, to quote one who was there, "It was a feast for the gods (or in this case, the goddesses)! At the top are (l. to r.) Lois Gallagher (L), Mary Rizzo (M) and Donna O'Leary (D) in the Charlestown Navy Yard as they prepare to drop their traps in the harbor. At the bottom with lobster bibs in place, DLM prepares to enjoy the fruit of their labor. Shown (l. to r.) are Rizzo, Gallagher and O'Leary. According to the DLM spokesperson, they will renew their license next year and get an earlier start and more productivity.

Free Depression Screening At MGH*Charlestown HealthCare Center

MGH*Charlestown HealthCare Center invites residents to learn about the signs and symptoms of depression and to participate in a free screening as part of National Depression Screening Day on Thursday, Oct. 9.

Residents are invited to join with friends and health center staff to learn about this common problem that affects more than 17 million Americans each year and is believed to cost the nation's economy \$27 billion annually through lost productivity, higher susceptibility to illness and, on

occasion, even death. One in every four American women and one in every 10 American men will experience at least one episode of major depression in their lifetime. Sadly, fewer than half of these 17 million Americans seek treatment even though treatment significantly helps 80 percent of those affected.

Common symptoms of depression include loss of interest or pleasure in activities, feelings of hopelessness, worthlessness, restlessness, irritability, changes in sleep and appetite, loss of energy and, on occasion, thoughts of death or suicide.

Two free screenings

will be held in the second floor conference room of the MGH*Charlestown HealthCare Center at 73 High St. on Thursday, Oct. 9 from 11 a.m. to 1 p.m. and from 5 to 7 p.m.

There will be a short talk, a question and answer period, a video presentation, a free screening and an opportunity to meet privately with a mental health professional to discuss results of screening. Screening results will not yield a definite diagnosis of depression, rather they will indicate whether referral for further evaluation is needed.

For further information or to make a reservation, please call 724-8200.

Older Participates In AIDS Ride

Daniel Older, son of Marc and Dora Older of Charlestown, was among 14 students from The Cambridge School of Weston who participated in the Boston-New York AIDS Ride 3 recently. Older, who is a senior, has been training vigorously for the event since last spring.

Along with the physical challenge of the ride, each rider must raise \$1,500 in order to participate in the event. The school community welcomed the riders back last week with a spirited assembly. Emotions ran high as the riders related their experiences.

Older said, "The most powerful part of the experience for me was coming into New York. There was a victory parade, the streets were lined with people

DANIEL OLDER cheering . . . it was unbelievable." When asked if he would do it again, Older said, "Absolutely."

The AIDS Ride 3 is a 275-mile, three-day bicycle ride that began in Boston on Sept. 12 and ended

in New York City on Sept. 14. The Ride raises money for people with HIV/AIDS and also raises awareness of the illness.

The Cambridge School of Weston team was the only high school team participating in the ride. As a team, The Cambridge School riders raised \$30,000 for the cause.

CSW Headmaster George Cohan stated, "These students have done something truly great and historical. Their contribution will always be remembered in the life of The Cambridge School of Weston."
