

PAYMENT GATEWAY INTEGRATED WITH MLM SYSTEM

Different Types of Payment for Pay in and Payout in MLM System

Payment gateway and **MLM software** are among those technological advancements that has made lives easier. Who would have thought that making payments will be this quick yet safe. In a nutshell, technology has transformed the traditional ways of doing business by making them faster and smarter.

Payment Gateway naturally records the exchange that is made by a vendor. A rundown here is alluded to as the transitory gathering of exchanges which must be completed for a particular term of time. This exchange incorporates purchasing New items, Bonus, Online Registration, Online Purchase, Signing Up new Members, Package Up-degree, and Member Renewals.

We guarantee the security of Internet cash exchange by giving reconciliation of installment portal from different specialist organizations

like:

CCAvenue

EBS (E-Billing Solutions)

Federal Bank

Paypal

First Data

NMI (Network Merchants INc.)

SolidTrust Pay

Ipayment
