

2012 2 4 6 CAB
CABERNET SAUVIGNON
DRY CREEK VALLEY

Jamie Peterson's Vintaged View & Vineyard Notes

Our Bradford Mountain Estate Vineyard Cabernet Sauvignon contains blocks within the vineyard that showcase different qualities and ripening patterns. By carefully managing and selecting these blocks, and through our winemaking and blending choices, we are able to produce wines with different personalities and styles. The Cab 2-4-6 contains Cabernet Sauvignon from our lighter, earlier picking, as well as a healthy amount of the fruit-forward Malbec, giving us a wine that has all the forward and enjoyable characteristics of a young Bordeaux blend.

Tasting Notes

This easy sipping Cab offers a richly textured nose with cedary spice laced with dark berry and cherry aromas. The silky, round entry flows quickly across the palate revealing juicy, bright fruit—boysenberry, blackberry and dark cherry—along with a supple structure. Traces of creamy oak and eucalyptus add an interesting dimension as the wine lingers on the palate.

This is the perfect wine for Cab lovers to grab after a long day at work, or just because it is Tuesday night. It will seamlessly pair with robust fare like braised lamb shanks or smoked brisket, but goes equally well with pork tenderloin drizzled with a blackberry balsamic reduction.

Technical Data

Composition:	Harvest Dates:	TA:	0.63g/100ml
75% Cabernet Sauvignon	Sept. 22	Barrel Aging:	21 months
25% Malbec	Oct. 10	Type of Oak:	100% neutral, 4-10 year-old neutral French oak barrels
