Duplex model created the most high-tech, simple and versatile solution for thorough cleaning and drying of all types of floor. This cleaning includes both solid and liquid dirt recovery, the washes, brushes as well as disinfects and is also ideal for cleaning profiled flooring.

It is extremely straightforward and user friendly machines that has compact design, brush and tank positions, and centralised motor combine to product a perfectly balanced machine. With the bi-directionality of the handles, it allows single handed operation. Duplex is unique has its ability to clean up and reach into the tightest corner with ease.

Thorough & effective cleaning
Twin-cylindrical brushes ensure fast & efficient scrubbing especially on grouting & up to wall edges.

Effective forwards and backwards
Carefully balanced design ensures that the Duplex is the only floor washer truly effective in forwards and backwards operation.

Choose from four brushes to suit the required flooring.
BLACK - Heavy Duty Scrubbing
GREY - Hard Floor & Short Carpet
YELLOW - Short/Medium Pile Carpet
BROWN - Horse Hair Brushing

Cleans to the very edge
The unique offset brush design and two way handle allows cleaning to the very edge
