TA SUNSHINE APPEAL – GEORGIA

Continuing with our "Everywhere We Go" pledge, The Tartan Army Sunshine Appeal will once again be making a donation to a charity in Tbilisi, Georgia, when we visit next month for Scotland's crucial Euro2016 qualifier.

In what will be our 54th consecutive donation, we have selected the Temi Community as recipients of a £5,000 donation.

The Temi Community is a society made up with people with different disabilities, orphaned children, single mothers, vulnerable and disenfranchised who live and work together, and support each other. The community has several ongoing projects and are working to ensure sustainability of the community, where they have educational and recreational activities for youth and beneficiaries with severe physical and mental disabilities.

Residents and volunteers from the Temi Community will be travelling in to Tbilisi to meet us at noon on match day, and thanks to the Georgian FA, have arranged the use of Mikheil Meskhi Stadium, the stadium of Locomotive Tbilisi for us to meet, have a kick around, and present the cheque.

We are fortunate to not be limited to numbers on this one, so if you want to join us for the presentation and meet the charity, we would be delighted for you to join us.

Please drop us a message.

Thanks to all for your continued support!

HOW TO GET THERE

There are a number options to get to the venue, with a taxi being by far the easiest but for those intrepid explorers amongst us, there is also the option of a fairly straightforward bus journey!

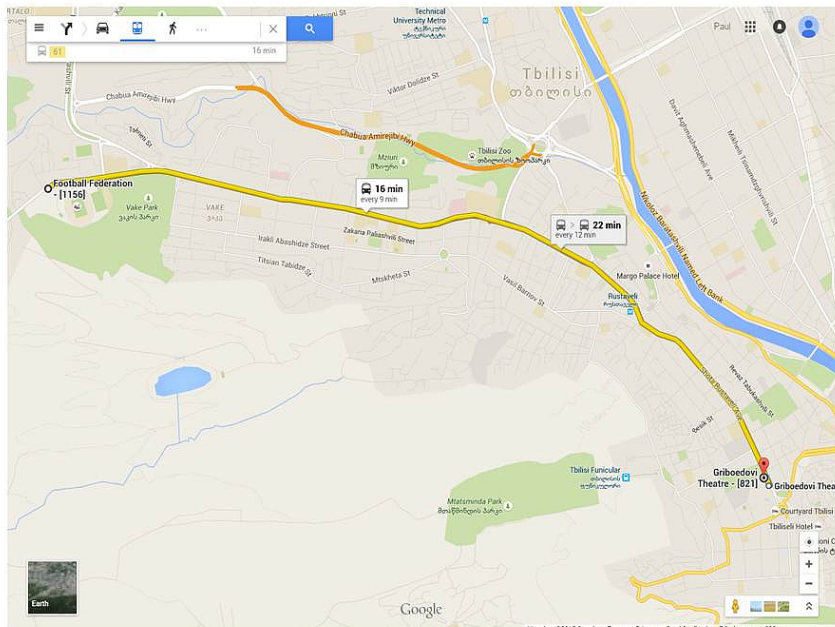

Please see the maps attached for the stops, with the service number being the No. 61.

If would be great if as many as possible would be able to attend, so you can see the reasons why Scotland fans raise funds/buy merchandise and where YOUR money goes.
